General Comment

EBSA:

Forcing me to no longer use options to increase my retirement is akin to forcing me to live on Social Security alone. The only method in this dire economy to grow my IRA feasibly before my retirement arrives is to trade in options. Successful option trades has allowed me to increase my current IRA at an annual rate of about 10% per year for the past few years. Before options, I was lucky if I could even make 2-4% - barely keeping up with inflation!

PLEASE DO NOT TAKE AWAY OPTION TRADING FROM OUR IRA PORTFOLIOS!
