Comment on FR Doc # 2015-08831

Submitter Information

Name: Chris Lang

General Comment

Restricting options trading would be very harmful to me and millions of others like me. In a zero-interest environment, we as savers and investors need every tool at our disposal to create income from our savings. Options trading, done correctly, can create income AND reduce risk simultaneously. Please remove this clause from any pending legislation. Thank you.
