Comment on FR Doc # 2015-08831

Submitter Information

Name: Craig Showers

General Comment

I have taken the time to learn proper options trading. It has grown my retirement account. Option trades reduce risk, rather than increase it. Options are just another tool necessary and needed for all retirees. Selling covered calls has increased my income and capital gains. Why should retirees receive additional penalties, while Wall St. continues to make money from retirees. Wall St. will make more if this rule is past.
