Comment on FR Doc # 2015-08831

Submitter Information

Name: Greg Binder

General Comment

I understand that more government regulations are being written that would interfere with how I decide to invest. I've taken the time to learn how to use options in my portfolio to reduce risk, gain income and some capital gains. This is my decision not yours. We already have far too many regulations as it is. Many create more problems than they solve. The government is once again overstepping its constitutional authority.
