Comment on FR Doc # 2015-08831

Submitter Information

Name: Randy Wardell

General Comment

I have been writing call options in my IRA account for many years and have benefited greatly. It has increased my return while decreasing the risk to my portfolio. Any attempt to take away this opportunity to maximize my returns, which personally I feel is none of your business anyway, should be regarded as unconstitutional. I am very well trained in options and don't view them as any more risky than buying or selling stocks; in fact I view them as less risky.
