General Comment

I trade options in my retirement accounts. I have taken the time to learn about proper options trading in order to reduce my risk of loss. It has grown my retirement account some. I believe it has also reduced my risk to have this ability.

Taking away my ability to trade options is like taking away our rights to drive cars. Yes, accidents happen and deaths occur, but with proper training, most people are safe drivers.

Please do not take away my rights to trade options in my accounts.
