General Comment

It is imperative that we, the people, have the same rights as wall street traders. I have taken the time to learn proper options trading techniques needed for good investing practices. I must tell you that it has grown your retirement account. Are you aware that some option trades reduce risk, rather than increase it. I am. Please do not listen to wall street. This is needed for individual investors also. Do Not Pass this Bill! Please!! Best wishes to America,
