## General Comment

I agree that some protection is in order, but PLEASE, PLEASE PLEASE!!! Please DO NOT TAKE AWAY my right to trade options within my retirement accounts!!! NO ONE CARES MORE about my money than I do, and having to rely on and pay a broker to do this for me is ridiculous, unless I DECIDE I want to do it that way. This is MY hard-earned and saved money, and it is MY responsibility. Please do not treat us all like criminals (or idiots) by taking away this right to earn more money with these simple strategies. I pay my taxes, I am NOT reckless with my money, and having the freedom to make decisions about my account (with the approval of the brokerage firm based on my trading experience) is my right. PLEASE DO NOT take it away. Thank you.
