Comment on FR Doc # 2015-08831

Submitter Information

Name: Jody Gary

General Comment

This rule has the potential to inflict large losses on people who conservatively sell options in their IRA account. I supplement my income every month using sound and conservative techniques. I have not lost once in over a year of option trades. I do not need or want a nanny state taking away anymore of my rights. Please do not pass this bill as it is written.
