Comment on FR Doc # 2015-08831

Submitter Information

Name: Albert Huff

General Comment

Gentlemen:

I would like to continue to have the ability to write "covered call" options on stock positions I own. This provides another source of income in my retirement. I have spent considerable time in educating myself on covered call writing. I also subscribe to financial advisory services that coach me in this area of options. I would like to continue having this financial instrument available to me.

Thank you.
