Comment on FR Doc # 2015-08831

Submitter Information

Name: james lippert

General Comment

This regulation would do much damage to my retirement portfolio as I use covered calls and selling puts to increase my rate of return in a very safe way. I am years old and my survival would be in jeopardy if this is past. Contrary to many peoples thoughts and likely the Labor Dept. or they wouldnt do such a crazy thing. I have been doing options for 20 years now and it easy to understand and less risky then some other investing ideas.
Thanks
J. O. Lippert
