Comment on FR Doc # 2015-08831

Submitter Information

Name: David Spencer

General Comment

I am opposed to restricting the use of options in an IRA account. I know for a fact that options can be used in a very conservative investing strategy because I have done it to make small gains with little risk. I believe this is a misguided attempt to protect investors from themselves. Please reconsider this shelving this unfair restriction. Thank you. David Spencer
