Document: EBSA-2010-0050-DRAFT-7599

Comment on FR Doc # 2015-08831

Submitter Information

Name: David Kummer

General Comment

Please do not take away my capability to trade options in my IRA account. I use options to lower my risks by selling covered calls or selling puts short when I am interested in purchasing a stock. The options premiums lower my risks and increase my yields. The ability to do this in a tax free account is crucial to my returns.
