General Comment

Dear federal gov't,

Please do not take away our ability to trade options within retirement accounts! Options are a valuable tool to help me reduce risk in my portfolio and increase my returns, and therefor reduce my dependence on Social Security in the future. We are not children playing with matches. Many of us are savvy and educated business people and need every tool available to salvage our retirements. Please allow us to continue using options!

Thanks very much.

DT

Wayland, Ma.
