General Comment

I am retired in my early and have been trading option to generate additional income for my retirement years. To eliminate this IRA feature will make my standard of living decrease. Its sad when I can not earn additional income with MY SAVINGS, ITS NOT THE GOVERNMENTS MONEY YET. I hope that the voting board or body rejects this rule. Don't you think we have enough people on welfare. Let us work (and option trading requires work) to continue making a living. JOHN C. HEINNICKEL
