## General Comment

I am given to understand that this new rule will restrict me or my agent from selling covered call options in my IRA account.

IF this is what the new rule would do, then I am against it. I wish to be the decision maker of my own investments.

I do not need Uncle Sam protecting me from myself. If Uncle Sam thinks some people need that protection, then give every person the choice to choose that protection. Making it mandatory is what dictators do and I think USA is a democracy not a dictatorship.
