General Comment

Dear Department of Labor,

This rule as written has a fatal flaw. It will restrict the trading of options in IRA accounts. This rule as written will prohibit a typical brokerage from allowing me to trade options or even provide options education on its website.

I have taken the time to learn proper options trading. Options trading has grown my retirement account. Option trading has reduced my retirement account's risk, rather than increasing it.

I want you to protect my right, and the right of others, to trade options in a retirement account. It's in our best interest to be able to use the tools Wall Street uses.

Please do not pass this regulation: RIN 1210-AB32

Yours Truly,
Bonnie S. Friehling
