

<b>National Dislocated Worker Grant (DWG) Summary</b>
---

<b>Project Type</b>	Reemployment System Integration (RSI)	
<b>State</b>	Delaware	
<b>Period of Performance</b>	October 1, 2016 - September 30, 2018	
<b>Grant Award Amount</b>	\$693,357	
<b>Core Project Elements</b>		✓ Where Applicable
	Common registration and case management across at least the DW, ES, and UI programs	
	Implementation of robust on-line service delivery hubs that integrate information and on-line services across at least the DW, ES, and the UI programs	
	Data integration strategies that support the ability of front-line staff, including career counselors, to better connect dislocated workers to the services they need to get jobs in demand and expand the capacity to provide career counseling to more customers	
<b>Alternate Options for States</b>	For states with existing integrated systems, the proposal includes enhancing existing system	✓
<b>Workforce Connect</b>		Yes or No
	Plan to use	
	Plan to investigate	
<b>Project Description</b>	<p>The state of Delaware is seeking to build a new entrance portal for specified use that will enhance and be integrated with existing Delaware JobLink portal. Delaware JobLink is the state of Delaware's Workforce internet based electronic system that includes a common registration for Wagner-Peyser, WIOA, TAA and UI programs.</p> <p>The new system is being developed as a way of using a unique set of questions to both engage users and translate their skills to applications that the user may already be aware of, or potentially new skill areas they had not previously explored.</p>
