DOL Internal Users

What's New:

❖ **My Reports Enhancement**

➤ **Reports**

- INAP Rollup Report Export is available under National Quarterly Discretionary Reports > Reports tab
- The INAP Rollup Report Export is a rolled-up single report on interface and a Excel export of all certified QPRs.
- User will get an email notification when the INAP Rollup Report is ready to download.
- The rollup report has Print functionality.

➤ **NDWG State Status Dashboard**

- NDWG State Status Dashboard is available under State Status Dashboard tab.
- Display the NDWG QPR and QNR with different Statuses
- Only certified QPR and QNR has hyperlink. Clicking on hyperlink can open reports.
- State and Recipient filters are available on interface.

➤ **Internal WIOA Adult Report**

- Display of State and WIB code combinations filter on the interface.
- Updated the aggregations.

➤ **Generate Internal Report – Internal WIOA Adult Report**

- The interface to generate, publish and UN-publish internal reports for OPDR user has been updated to include Internal WIOA Adult Report.
- Generate Internal Report hyperlink under Reports tabs is available for OPDR users only.
- Hyperlink would land an OPDR user to page which has 2 sections:
 - Generate Internal Reports
 - Publish and Unpublish Internal Reports
- Internal Report can be generated by making selection in the Quarter End Date and Program filters and clicking on Generate button.
- User get email notification when the requested Internal Report data is generated and available.
- User can regenerate the report data.
- Interface displays 3 different dynamic user messages based on the status of report.
- Internal Reports could be reviewed for selected Quarter End date and program on interface below the Publish and Unpublish Internal Reports section.
- The published data for selected Quarter End Date and program(s) is available to Program Users.
- The unpublished data for selected Quarter End Date and program(s) is not available to Program Users.
