I. THE WORK OPPORTUNITY AND WELFARE-TO-WORK TAX CREDITS

*I. BACKGROUND

* A. General. The Work Opportunity Tax Credit (WOTC) Program created by the Small Business Job Protection Act (Public Law 104-188) and the Welfare-to-Work Tax Credit (WtWTC) created by the Taxpayer Relief Act of 1997 (Public Law 105-34) were reauthorized by the *Working Families Tax Relief Act of 2004 (P.L. 108-311)*. The legislation extends the WOTC and WtWTC program, without changes, for a two-year period through December 31, 2005. The reauthorization is retroactive to December 31, 2003 and applies to new hires that begin work for an employer on or after January 1, 2004, and before January 1, 2006. P.L. 108-311 reauthorized the program under Sections 51 and 51A of the Internal Revenue Code.

* There are eight (8) target group designations for the expanded WOTC program and one for the Welfare-to-Work Tax Credit. The WOTC target group titles and designations are as follows:

- ❖ Qualified IV-A Recipient (A)
 - ❖ Qualified Veteran (B)
 - ❖ Qualified Ex-felon (C)
 - ❖ High-Risk Youth (D)
 - * ❖ Vocational Rehabilitation Referral (E)
 - ❖ Qualified Summer Youth Employee (F)
 - ❖ Qualified Food Stamp Recipient (G)
 - ❖ Qualified Supplemental Security Income Recipient (H)
- ***Note.** The New York Liberty Zone Business Employee (NYLZBE) was not reauthorized. The WOTCs for these NYLZBE hires are only available for 2002 and 2003.

* The WtWTC target group title and designation is as follows:

- ❖ Long-term family assistance recipient (I)

* B. Legislative Authority.

1. Sections 303 and 304 of the *Working Families Tax Relief Act of 2004 (P.L. 108-311)*, (26 U.S.C.) and Sections 51 and 51A of the Internal Revenue Code of 1986, as amended. Please, note that Title 26 of the United States Code (U.S.C.) is the Internal Revenue Code.

C. Legislative Intent.

1. This tax credit incentive was designed to appeal to a wide range of businesses, to impose a minimal burden upon participating employers, and to promote the hiring of target group individuals. The Work Opportunity Tax Credit was designed, specifically, to streamline the eligibility determination process used by previous tax programs as well as to close the gaps that appeared between and within some target group designations.

* D. WOTC and Ticket to Work.

On March 2, 2004, President Bush signed into law the Social Security Protection Act of 2004, Public Law 108-203. Section 405 of this Act makes the WOTC available to employers who hire certain participants (called Ticket Holders) in the Ticket to Work Program. Employers may claim the WOTC for eligible SSDI beneficiaries and disabled or blind SSI recipients participating in the Ticket to Work Program who are currently under an Individual Work Plan (IWP) with an Employment Network (EN).

1. The new provision provides Employment Networks with a marketing tool to offer businesses an incentive to hire individuals with disabilities who receive employment services, vocational rehabilitation services, and other support services under the Ticket to Work Program.

* E. Effective Date.

Guidelines in this Addendum to ETA Handbook 408, 3rd. Edition, November 2002, are effective upon receipt.

II. WORK OPPORTUNITY TAX CREDIT NEW PROVISIONS

- * A. Target Groups At-A-Glance. The following pages offer a complete and concise view of each target group including the specific WOTC law, target group requirements and information regarding the calculation of the credit.

- * **Note.** Specifically, two WOTC target groups' definitions have been affected by new legislation.

*Vocational Rehabilitation Referral
target group designation (E)

* This target group refers to any person certified by the State Workforce Agency/Designated Local Agency as:

- ❖ having a physical or mental disability which, for such individual, constitutes or results in a substantial handicap to employment; and
- ❖ was referred to the employer upon completion of or while receiving individualized services pursuant to a plan of employment under a state plan for vocational rehabilitation services approved under the Rehabilitation Act of 1973; or
- ❖ a vocational rehabilitation program for veterans, carried out under Chapter 31 of Title 38, U.S. Code.

* A new tier of eligible individuals, under the WOTC Vocational Rehabilitation Referral target group, was created by the Social Security Protection Act of 2004 (P.L. 108-203), March 2, 2004. These are disabled individuals, who receive vocational rehabilitation services, employment services, and assistance in developing an Individual Work Plan (IWP) from private Employment Networks (ENs).

The tax credit for this group is calculated at the rate of 25% of the qualified first-year wages up to \$6,000 for employees working, at least, 120 hours but less than 400. This allows for a maximum credit of \$1,500. For employees working at least 400 hours or more, the credit is calculated at the rate of 40% of the qualified first-year wages up to \$6,000. This allows for a maximum credit amount of \$2,400.

B. Essential Terms:

- * **Ticket Holder** refers to Social Security Disability Insurance (SSDI) beneficiaries and disabled or blind Supplemental Security Income (SSI) recipients, who choose to participate in the Ticket to Work Program¹ and choose an Employment Network for services.

Employment Networks (ENs) refer to private agencies, which provide disabled individuals called “ticket holders” with employment and vocational rehabilitation and other supportive services. The EN works with the ticket holder to establish an individual work plan described in section 1148(g) of the Social Security Act (42 U.S.C. 1320b-19(g)(1)).
- * **Ticket to Work and Self-Sufficiency Program** is an employment program for people with disabilities who are interested in going to work. The Ticket to Work Program is part of the Ticket to Work and Work Incentives Improvement Act of 1999 (P.L. 106-170) legislation. This program was designed to remove many of the barriers that previously influenced people’s decisions about going to work because of the concerns over losing health care coverage. The goal of the Ticket to Work Program is to increase opportunities and choices for Social Security disability beneficiaries to obtain employment, vocational rehabilitation (VR), and other support services from public and private providers, employers, and other organizations.

Under the Ticket to Work Program, the Social Security Administration provides disability beneficiaries with a Ticket ([\[Click here\]](#) to see an image of a Ticket) they may use to obtain the services and jobs they need from a new universe of organizations called Employment Networks (ENs).
- * **MAXIMUS** is the Program Manager. Day-to-day administration of the Ticket to Work Program is the responsibility of the Program Manager (PM). The Social Security Administration has contracted with MAXIMUS, a private company, to perform this role.

1. For additional information and program guidance on WOTC and the Ticket to Work Program see: “Ticket to Work Eligibility Under the [WOTC] Program,” TEG L No. 15-04, dated January 31, 2005. (See Appendix VI. “Tools and Resources” for its contents)

VIII. ADMINISTRATIVE AND REPORTING REQUIREMENTS.

*

I. Program Reporting Requirements.

In its efforts to prepare for the challenges faced as today's solutions-based revolution in the workforce investment advances and to support and comply with the proposed Workforce Investment Act (WIA) reauthorization provisions and the President's High-Growth Job Initiative, ETA is moving forward to streamline service delivery in the public workforce investment system. The WIA proposed legislation has five key principles:

1. Increasing Flexibility,
2. Strengthening Accountability,
3. Reducing Overhead Costs,
4. Creating More Effective Governance, and
5. Strengthening One-Stop Career Centers

*

The WOTC Program joins these principles and other workforce programs by reducing the WOTC Federal reporting requirements and burden to the minimum level possible. WOTC reporting streamlining efforts include a:

- reduction in the number of required ETA quarterly reports from three to one;
- conversion of ETA Form 9057 - Report 1 and ETA Form 9059 - Report 3 into Summary Worksheets that SWAs should use as part of their program administration; and
- revision of the electronic EIMS Tax Credit Reporting System (TCRS) including revision to the system's users' guide.

In order to effectively meet its management responsibilities and to have adequate data with which to evaluate the Work Opportunity and Welfare-to-Work Tax Credits, ETA must impose the minimum following reporting requirements upon the SWAs/DLAs:

1. On a quarterly basis, SWAs/DLAs must extract data, either, from Conditional Certifications, Individual Characteristics Forms (ICFs), and/or Certifications. The data sources will

depend upon each state's processing procedures. This information is reported to the Employment Service (ES)/Adult Dislocated Workers' (ADW) Division, Office of Workforce Investment (OWI), on a quarterly basis.

2. Data will be submitted, electronically, to the ES/ADW-OWI, National Office, via the EIMS or its successor system, the Electronic Business Support System (EBSS) in one report, consisting of the following sets of data:

*

- a.) The certification workload and characteristics of certified individuals by: target group, hourly wage, and occupation reported by dual certification, as well as by WOTC and WtWTC; and
- b.) Results of agency quarterly verification (quarterly audits of Certifications made) activities, including universe size, sample size, and the number and percentage of ineligible Certifications identified.

*J. Reporting Procedures.

All SWA/DLA, WOTC/WtWTC Coordinators must prepare the quarterly report during the calendar year. The report must include information collected from throughout the state. Data will be reported beginning with a zero balance for each reporting quarter and after the first quarter year-to-date data will also be reported. This change from the accumulation of data throughout the fiscal year was necessary because of additional requirements to respond to various inquiries using quarterly data in various annualized configurations.

*

1. Submitting the Report.

All quarterly report data must be entered in the electronic Tax Credit Reporting System or TCRS. This system allows the transfer of the WOTC and WtWTC quarterly report data to ETA's Enterprise Information Management System (EIMS) (or EBSS) via the Internet. The TCRS allows the states to meet their reporting responsibilities in a more efficient manner while reducing the reporting burden on the state, regional, and national office levels. Through this system, states will enter the required quarterly program data for

Report 1, ETA Form 9058, "*Certification Workload and Characteristics of Certified Individuals, Work Opportunity and Welfare-to-Work Tax Credits.*"

This report has been updated and redesigned to capture all necessary program data in a one-page format. For example, "Part II. *Characteristics of Certified Individuals,*" now includes one additional box under Column I, i.e., box 10. This box captures Ticket Holder (under the Ticket to Work Program) certifications or denials. The contents of columns J. and K. were interchanged. Now, "*Column J. By Occupation*" allows for reporting occupations by the O*NET Jobs' Families Codes and "*Column K. By Starting Hourly Wage*" allows for reporting the starting salary range the new hires will earn.

Note. Report 1 - ETA Form 9057, "Conditional Certifications, Work Opportunity and Welfare-to-Work Tax Credits;" and Report 3 - ETA Form 9059, "Verification Results" is no longer required. This report is to be used as *Worksheet ONLY* for SWAs' internal administration and audit purposes.

- a.) The Regional Coordinators must accept/deny the SWAs' new required report, within their regions, by the 55th calendar day following the closing date of the report period.

- b.) When completing the Audit Summary Worksheet, SWAs must select a “statistically random sample” and initiate verification activities on a quarterly basis, but not later than the month immediately following the report period. The former delay in reporting the results should help the SWAs’ audit summary worksheet since it allows for the lag-time in obtaining UI wage records commonly used in verifying certain employer and employee information. This delay will afford the SWAs ample time to review documents, verify information sources, and, if necessary, verify a second sample of data.

*

2. Completing the Forms.

Complete all items and ensure that all information is legible and accurate:

- a.) State. Enter the name of the State.
- b.) Period Ending. This is the last day covered by the report; e.g., September 30, 2005.
- c.) Name and Title of Responsible Official. Enter the name and title of the person authorized to sign the report.
- d.) Signature. Responsible official signs the report.
- e.) Date Signed. Enter the date the report is signed by the responsible official.
- f.) General Approach. Prepare the required report based on data from the administrative/processing forms; e.g., 8850s/CRs, ICFs, Conditional Certifications and Certifications. Include the number of individuals served in each target group, data on tax credits authorized, starting wages and occupations in which individuals were hired.
- g.) ETA Form 9057, Summary Worksheet. This form is for SWAs’ internal use only. It is designed to summarize the

number of Conditional Certifications (ETA Form 9062s) issued during each reporting quarter by the SWAs/DLAs, Participating Agencies (PAs) and by target group.

The Worksheet also reflects the changes introduced by P.L. 105-34 and 108-203. In addition to reauthorizing the WOTC and expanding WOTC target groups to include certain SSI recipients, P.L. 105-34 also established a second tax credit, the Welfare-to-Work Tax Credit, for certain Long-Term TANF recipients. Therefore, this Worksheet gathers and summarizes quarterly data on conditional certifications by each tax credit. Further, because some individuals may be eligible for both tax credits, and because such individuals must be issued dual certifications, all data collected on conditional certifications should be summarized by dual certification, as well as by WOTC and WtWTC.

The Worksheet is divided into two sections. The first section, entitled "I. By Issuing Agency," gathers the number of WOTC, WtWTC Conditional Certifications (CCs), and the number of dual (WOTC/WtWTC) CCs issued by the SWAs and all PAs (boxes 1-10).

Where no CCs have been issued, enter "0."

The second section, entitled "II. By WOTC or WtWTC Group" summarizes the same information -- the number of WOTC, WtWTC CCs, and the number of dual (WOTC/WtWTC) CCs, by tax credit and target group including Ticket Holders (boxes 13-22).

Where no CCs have been issued, please enter "0."

The quarterly and year-to-date (cumulative) totals in Sections I (boxes 11 and 12 respectively) should equal the quarterly and year-to-date (cumulative) totals in Section II (boxes 23 and 24, respectively).

Note. This Worksheet has been updated to reflect the number of CCs issued to Ticket Holders by Employment

Networks (ENs) under the Ticket to Work Program as required by the *Social Security and Protection Act of 2004, P.L. 108-203*. “Line 10. Employment Networks” was added under “*Column I. By Issuing Agency*” to obtain the number of CCs issued by those ENs that have a Cooperative Agreement with the SWA. Under “*Column II. By WOTC or WtWTC*,” Line 21. Ticket Holders was added to obtain the number of CCs issued for this new tier of disabled individuals. Finally, for Line 22, under the WOTC column, three subcategories of beneficiaries were added: a) Voc Rehab Referral, b) SSI and c) SSDI. This further break down shows the number of CCs issued to the three types of Ticket Holders. The last new column, “Total #22,” is the total [sum of a) + b) + c) = Line 22] number of CCs issued to the three types of Ticket Holders.

Note. This form no longer summarizes conditional certifications by type, i.e., by whether they are original or revalidated (box 3 of ETA 9062). Therefore, counts of CCs in boxes 1-10 and 13-21 should not distinguish between original and revalidated CCs. For example, if in the first quarter of fiscal year 2004, an agency issued 70 original and 30 revalidated CCs, that agency issued 100 CCs.

Note also that this form no longer summarizes conditional certification invalidations.

- h.) ETA Form 9058 - Report # 1. This is the only report required to be prepared by the SWAs on a quarterly basis and sent to the Regional and National Offices. PART I of this report simplifies data reported on certifications and indicates SWAs/DLAs’ workload during each reporting quarter. Part II continues to collect data on selected characteristics of individuals with tax credit certifications.

Background. The purpose of ETA Form 9058 (Revised May 2005) is to provide SWAs/DLAs with a standardized reporting format that accurately reflects the Work Opportunity Tax Credit (WOTC) and Welfare-to-Work Tax Credit (WtWTC) program activity levels and outcomes. It is

important for SWAs/DLAs to maintain programmatic reporting procedures that account for each tax request (IRS Form 8850) received and its subsequent outcome (issuance of a tax Certification or a Denial notification).

A properly completed ETA Form 9058 accurately reflects program use at the employer level, program outcome activity at the SWA/DLA level, and the level of any programmatic backlog that may exist. To ensure that the WOTC/WtWTC program can be accurately evaluated at the national level, it is critical that all SWAs/DLAs report in a standardized manner.

The revisions and updates made to ETA Form 9058 (Rev. May 2005), build on the framework established by the existing ETA Form 9058 revised July 2002. The form itself remains largely the same. However, the technical changes made to Part I (November 2002, Third Ed., ETA Handbook 408), to ensure consistent and accurate reporting of all WOTC/WtWTC activities during the reporting quarter remain a primary objective. Part II reflects adjustments, in design and layout, which are necessary to ensure conformity with transition from the Dictionary of Occupational Codes to the O*NET new families of occupations and their two-digit codes in Section J, (formerly Section K). Section K now collects data by "starting hourly wage. Additional updates to this report include certifications and/or denials issued to Ticket Holders participating in the Ticket to Work Program, a new tier under the WOTC Vocational Rehabilitation Referral and SSI target groups including now SSDI beneficiaries.

INSTRUCTIONS FOR COMPLETING THIS FORM.

State. Enter the name of the state submitting ETA Form 9058.

Quarter Ending Period. Enter ending date of the quarter represented by ETA Form 9058.

Part I. "Certification Workload." SWAs/DLAs must identify from Part I, Item F on the previous reporting quarter's ETA Form 9058, the number of requests (IRS Form 8850s) determined to be Incomplete or Needing Action, as defined below:

(A) Number of Requests Incomplete. Enter the total number of requests (IRS Form 8850s) received by the SWA/DLA prior to the beginning of the current report period, but for which no applicant eligibility determination action (excluding the 48-hour review) has been taken. This total is to be entered into Part I, Item (A) of ETA Form 9058.

(B) Number of Requests Needing Action Enter the total number of requests (IRS Form 8850s) received by the SWA/DLA prior to the beginning of the current report, but for which no review and or action was taken to determine applicant eligibility. It is important for the SWA/DLA to report all requests (IRS Form 8850s) received. Therefore, any request received outside of the current reporting quarter, which has not previously been reported, should be included with the number of requests received during the current reporting period. That total should be entered as the number of "New Requests". This total is to be entered into Part I, Item (C) of ETA Form 9058.

(D) Total Requests to be Processed Enter the sum of Items A, B and C. This total represents the number of requests (IRS Form 8850s) received by the SWA/DLA that are available to be processed. This total is to be entered under Part I, Item (D) of ETA Form 9058.

(F) Requests Denied. Enter the total number of requests (IRS Form 8850s) denied by the SWA/DLA during the current report period.

Note. A Denial is a request (IRS Form 8850) determined by the SWA/DLA to be ineligible for both tax credits.

(G) Number of Requests Incomplete. Enter the total number of requests (IRS Form 8850s) received and reviewed by the SWA/DLA, but for which the SWA/DLA could neither approve nor deny due to such things as, but not limited to, the need for additional eligibility documentation for which the SWA/DLA has made a formal request to the employer, authorized tax consultant, or other third party entity, ETA Form 9061 not submitted, etc. **Note.** This number will also be entered in Part I, Item A, of the subsequent quarterly report ETA Form 9058.

(H) Number of Requests Needing Action. Enter the number of requests (IRS Form 8850s) received by the SWA/DLA, but for which no review and or action was taken to determine applicant eligibility.

Note. This value will also be entered in Part I, Item B, of the subsequent quarterly report ETA Form 9058.

Part I, Item H is the sum of Item D, minus Item E, minus Item F, minus Item G.

Part I. Completion Formula:

Items (A + B + C) = (D - E - F - G) = H

Part II. “Characteristics of Certified Individuals by Tax Credit.” This part is divided into three sections (Section I, Section J, and Section K).

Section I, reflects the number of requests (IRS Form 8850s) certified by the SWA/DLA during the current report period by WOTC/WtWTC target groups. Section J, reflects the number of requests (IRS Form 8850s) certified by the SWA/DLA during the current report by occupation and Section K, reflects the number of requests (IRS Form 8850s) certified by the SWA/DLA during the current report period by starting hourly wage.

- * i.) **ETA Form 9059 - Audit Summary Worksheet.** After all Certifications selected for the audit/verification sample are reviewed, the results of the review must be entered on *ETA Form 9059 - Audit Summary Worksheet*.

This Worksheet should be used to summarize the results of the quarterly audit of a randomly chosen sample (See Table - Sample Sizes, p. VII-23 in the Program Handbook) of all the certifications issued for that quarter. Pursuant to P.L. 105-34, as of October 1, 1997, the universe of certifications to be audited includes all Welfare-to-Work and dual (WOTC/WtWTC) certifications as well as all individual WOTC certifications issued for the reporting quarter, including those issued for Ticket Holders as per P.L. 108-203, March 2, 2004.

- (1.) **Line 1 - Universe Size.** Enter the total number of certifications issued during the reporting period. Instructions for Preparing ETA Form 9058 "Certification Workload and Characteristics of Certified Individuals," Work Opportunity and Welfare-to-Work Tax Credits Report

Introduction.

ETA Form 9058. Part I. of this report clarifies and simplifies data reported on certifications and indicates state workforce agencies' (SWAs) workload during each reporting quarter. Part II. continues to collect data on selected characteristics of individuals with tax credit certifications.

Background.

The purpose of ETA Form 9058 (Rev. May 2005) is to provide state workforce agencies (SWAs) with a standardized reporting format, which accurately reflects the Work Opportunity Tax Credit (WOTC) and Welfare-to-Work Tax Credit (WtWTC) program activity levels and outcomes. It is important for SWAs to maintain programmatic reporting procedures that account for each tax request (IRS Form 8850) received and its subsequent outcome (issuance of a tax certification or a denial notification). A properly completed ETA Form 9058 accurately reflects program use and the level of any programmatic backlog that may exist. To ensure that the WOTC/WtWTC program can be accurately evaluated at the national level, it is critical that all SWAs report in a standardized manner.

INSTRUCTIONS FOR COMPLETING THIS FORM:

State. Enter the name of the state submitting ETA Form 9058.

Quarter Ending Period. Enter ending date of the quarter for the reported program data.

Part I. "Certification Workload." SWAs must identify from Part I, Item F on the previous reporting quarter's ETA Form 9058 the number of requests (IRS Form 8850s) determined to be incomplete or Needing Action, as defined below:

(A) **Number of Requests Incomplete.** Enter the total number of requests (IRS Form 8850s) received by the SWA prior to the beginning of the current report period, but for which no applicant eligibility determination action (excluding the 48-hour review) was taken. This total is to be entered into Part I, Item (A) of ETA Form 9058.

(B) **Number of Requests Needing Action.** Enter the total number of requests (IRS Form 8850s) received by the SWA prior to the beginning of the current report, but for which no review and total is to be entered into Part I, Item (B) of recently revised ETA Form 9058.

(C) **New Requests.** Enter the total number of requests (IRS Form 8850s) received by the SWA during the current reporting quarter. Some states may have received requests (IRS Form 8880s) that were not previously recorded and/or reported on any prior quarterly report ETA 9058 for various reasons. It is important for the SWA to report all requests (IRS Form 8850s) received. Therefore, any request received outside of the current reporting quarter, which has not previously been reported, should be included with the number of requests received during the current reporting period. That total should be entered as the number of "New Requests". This total is to be entered into Part I, Item (C) of ETA Form 9058.

(D) **Total Requests to Be Processed.** Enter the sum of Items A, B & C. This total represents the number of requests (IRS Form 8850s) received by the SWA, which are available to be processed. This total is to be entered under Part I, Item (D) of ETA Form 9058.

(E) **Requests Certified.** Enter the total number of WOTC certifications issued during the current report period, plus the number of WtWTC certifications issued during the current report period, which are not the product of a dual certification, (WtWTC ONLY).

(F) **Requests Denied.** Enter the total number of requests (IRS Form 8850s) denied by the SWA during the current report period.

Note. A denial is a request (IRS Form 8850) determined by the SWA to be ineligible for both tax credits.

(G) **Number of Requests Incomplete.** Enter the total number of requests (IRS Form 8850s) received and

reviewed by the SWA, but which the SWA could neither approve nor deny due to such things as, but not limited to, the need for additional eligibility documentation for which the SWA has made a formal request to the employer, authorized tax consultant, or other third party entity, ETA Form 9061 not submitted, etc. **Note.** This number will also be entered in Part 1, Item A. of the subsequent quarterly report ETA Form 9058.

(H) **Number of Requests Needing Action.** Enter the number of requests (IRS Form 8850s) received by the SWA but for which no review and/or action has yet been taken to determine applicant eligibility.

Note. This value will also be entered in Part I, Item B. of the subsequent quarterly report ETA Form 9058. Part I, Item H is the sum of Item D, minus Item E, minus Item F, minus Item G.

Part I. Completion Formula:

Items (A + B + C) = (D - E - F - G) = H

Part II. "Characteristics of Certified Individuals by Tax Credit." This part is divided into three sections (Section I, Section J, and Section K).

COMMENTS:

TO EMPLOYERS. Employers are, hereby, informed that they cannot claim both the WOTC and the WWTWCs for the same employee in the same taxable year.

Two-Tier Minimum Employment Period Under the WOTC. Under the provisions of the Taxpayer Relief Act of 1997, employers can claim a 35% WOTC for those target group members who were employed by the employer for at least 120 hours or a 40% credit for individuals performing 400 hours or more of work for the employer, 120 hours in the case of Summer Youth Employees.

Minimum Employment Period Under the Welfare-to-Work Credit. Under the provisions of the Taxpayer Relief Act of 1997 and the IRS Code Secs. 51 and 51A, employers can only claim the Welfare-to-Work Credit for the Long-Term Family Assistance Recipient if he/she was employed by the employer for at least 180 days or completed 400 hours or more of work. **Note.** Whenever a SWA/DLA verifies that an employee qualifies both as a member of a WOTC target group and as a Long-Term Family Assistance Recipient for the WIW Tax Credit, the SWA/DLA should issue an Employer Certification, ETA Form 9063, certifying the employee's DUAL status as member of a WOTC target group and as a Long-Term Family Assistance Recipient.

NOTE: Falsification of data on this form is a FEDERAL CRIME in violation of 18 USC 1001. Falsification of work or concealment of information is PUNISHABLE by a fine or imprisonment

Instructions for Completing the Agency Declaration of Verification Results (ADVR), ETA FORM 9065.

Background: The Omnibus Budget Reconciliation Act of 1990, P. L. 101-508, § 11405(c), extended indefinitely the \$5 million set-aside (cited below) for testing whether individuals certified as members of WOTC targeted groups are eligible for certification (including the use of statistical sampling techniques). As long as there is a WOTC appropriation, this requirement continues in force. These provisions apply in full force to the certification process under the WOTC and WTW Tax Credits. Section 261(f)(2) of the Economic Recovery Tax act of 1981 (P. L. 97-34), as amended, states that:

“(A) \$5,000,000, shall be used to test whether individuals certified as members of targeted groups under section 51 and 51A of such Code [Internal Revenue] are eligible for such certification (including the use of statistical sampling techniques), and (B) the remainder shall be distributed under performance standards prescribed by the Secretary of Labor.”

Note. Verification activities require testing the validity of all Certifications issued by the SWAs/DLAs, including the Conditional Certifications issued by Participating Agencies (PAs) and other documentation, which results in Certifications. Quality reviews and audits are both parts of the certification process. A General Accounting Office (GAO) report recommended that verification activities be done by "other than the person who originally processed..." the Individual Characteristics or the Conditional Certification forms.

DEFINITIONS:

1. **Quality Reviews** - the reviews conducted at specific points in the eligibility determination/certification process, of forms and other documentation, including the Certification itself to ensure that the required information is complete, consistent and accurately recorded.
2. **Audit** - the post-issuance examination of a random sample of Certifications and supporting documentation to verify the validity of the Certifications issued.

Notice of Revocation (NOR) - prepare and send to employer/consultant an NOR explaining the reasons for revocation and send a copy to the Regional Office and IRS in your state since employer eligibility for the tax credit does not cease until the date that the employer is, officially, notified in writing that the Certification has been invalidated; thereby, revoked.

Instructions for Preparing ETA Form 9057 – *Summary Worksheet* (For SWA Internal Use Only)

ETA Form 9057 - Conditional Certifications Summary Worksheet by Tax Credit: Work Opportunity and Welfare-to-Work Tax Credit and PA is designed to summarize the number of Conditional Certifications (ETA Form 9062s) issued during each quarter by the SWAs/DLAs and Participating Agencies (PAs). The summary worksheet should be prepared using data collected from ETA Form 9062.

This summary worksheet helps the SWAs in collecting quarterly data on conditional certifications by each tax credit. Further, because some individuals may be eligible for both tax credits, and because such individuals must be issued dual certifications, all data collected on conditional certifications must be reported by dual certification, as well as by WOTC and WtW tax credit.

The *Summary Worksheet* is divided into two sections. The first section, entitled "I. By Issuing Agency" collects the number of WOTC conditional certifications (CCs), the number of WtWTC CCs, and the number of dual (WOTC/ WtWTC) CCs issued by the SWAs/DLAs and all participating agencies (boxes 1-10).

Where no CCs have been issued, please enter "0"

The second section, entitled "II. By WOTC Target or Long-Term IV-A Recipient Group," collects the same information – the number of WOTC CCs, the number of WtWTC CCs, and the number of dual (WOTC/WtW) CCs, by WOTC and WtWTC target groups (boxes 13-21).

Where no CCs have been issued, please enter "0."

The quarterly and year-to-date (cumulative) totals in Section I (boxes 11-12, respectively) should equal the quarterly and year-to-date (cumulative) totals in Section II (boxes 22-23, respectively).

Finally, the WOTC responsible official should enter/type his/her name in box 24 and affix his/her signature in box 25. Then enter the date the summary worksheet was prepared in box 26.

NOTE: This form no longer collects information on conditional certifications by type, i.e., by whether they are "original" or "revalidated" (Box 3 of ETA 9062). Therefore, counts of CCs in boxes 1-10 and 13-21 should not distinguish between original and revalidated CCs. For example, if in the first quarter of fiscal 2005, an agency issued 70 original and 30 revalidated CCs, that agency issued 100 CCs. Note also that this form no longer reports invalidations of conditional certifications.

Persons are not required to respond to this collection of information unless it displays a currently valid OM B control number. Respondents' obligation to reply to these reporting requirements is mandatory (P.L. 104-188). Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the U.S. Department of Labor, U.S. Employment Service, Room C-4514, Washington, D.C. 20210 (Paperwork Reduction Project 1205-0371).

Instructions for Preparing and Completing ETA 9059 – Audit Summary Worksheet

Background: The Omnibus Budget Reconciliation Act of 1990, P. L. 101-508, § 11405(c), extended indefinitely the \$5 million set-aside (cited below) for testing whether individuals certified as members of WOTC targeted groups are eligible for certification (including the use of statistical sampling techniques). As long as there is a WOTC appropriation, this requirement continues in force. These provisions apply in full force to the certification process under the WOTC and W/W Tax Credits. Section 261(f)(2) of the Economic Recovery Tax Act of 1981 (P. L. 97-34), as amended, states:

“(A) \$5,000,000, shall be used to test whether individuals certified as members of targeted groups under section 51 and 51A of such Code [Internal Revenue] are eligible for such certification (including the use of statistical sampling techniques), and “(B) the remainder shall be distributed under performance standards prescribed by the Secretary of Labor.”

Note. Verification activities require testing the validity of all the certifications issued by the State Workforce Agencies (SWAs), including the Conditional Certifications and other documentation, which result in a Certification. Quality Reviews and Audits are both parts of the verification activities. A General Accounting Office (GAO) report recommended that verifications activities be done by “...other than the person who originally processed,” the ICF or Conditional Certification.

ETA Form 9069 was designed as a worksheet for states to use in obtaining the results of the quarterly audit of a randomly chosen sample (See Table - Sample Sizes, Chapter VII-23 in the Handbook) of all of the certifications issued for that quarter as described in this chapter. Pursuant to P.L. 106-34, as of October 1, 1997, the universe of certifications to be audited includes all Welfare-to-Work and dual (WOTC/W/W) certifications as well as all individual WOTC certifications issued for the reporting quarter.

- (1) **Line 1 - Universe Size.** Enter the total number of Certifications issued during the reporting period. This number should be the same as the total number of certifications reported in Part I., Certification Actions (System Outputs), Column D of ETA Form 9058 for the same quarter.
- (2) **Line 2 - Sample Size.** Enter the number of Certifications in the audit sample for which verification data was acquired for the audits. This number must equal or exceed the appropriate number shown in the table on sample size in Chapter VII in the Handbook.
- (3) **Line 3 - Number Invalid.** Enter the number of certifications in the sample which, after verification, were determined to be invalid.
- (4) **Line 4 - Percent Invalid.** Calculate and enter the percentage of the sample determined to be invalid using the following formula:

$$\frac{\text{Number of Invalidations}}{\text{Sample Size}} \times 100$$

- (5) **Line 5 – Number Invalid (Second Sample) and Line 6 - Percent Invalid.** (See note below)

Note: If the percentage is less than 5 percent, do not complete lines 5 and 6. If the percentage on Line 4 is 5 percent or more, a second sample equal in size to the first must be drawn and verified in the same manner. The Number Invalid on Line 5 and Percent Invalid on Line 6 from the second sample shall be entered in Lines 5 and 6. If the Percent Invalid in the second sample is 5 percent or more, corrective action shall be initiated according to the instructions in Chapter VII of the Handbook.

- (6) **Lines 7-12** must be completed to perform a separate quarterly verification for economic determinations. (Ex-Felon only)
- (7) **Lines 7 - Universe Size.** Enter the total number of Certifications issued for the Ex-Felon target group during the reporting period. This number should be the same as the total number of certifications reported in Part II, Sec. (1), Line 3, of ETA Form 9058 for the same quarter.
- (8) **Line 8 - Sample Size.** Enter the total number of certifications in the audit sample for which verification data was acquired for the audits. This number must equal or exceed the appropriate number shown in the table (p. VII-4) on sample size in this Handbook.
- (9) **Line 9 - Number Invalid.** Enter the number of certifications in the sample which, after verification, were determined to be invalid.
- (10) **Line 10 - Percent Invalid.** Calculate and enter the percentage of the sample determined to be invalid using the formula provided above. If this percentage is less than 5 percent, do not complete Lines 11 and 12. If the percentage of Line 10 is 5 percent or more, a second sample, equal in size to the first must be drawn and verified in the same manner.

Note: If the Percent Invalid in the second sample is 5 percent or more, corrective action shall be initiated according to instructions in Chapter VII of the Handbook.

- (11) **Lines 11 & 12 - Percent Invalid & Number Invalid.** Enter corresponding number from the second sample.
- (13) **Line 13 - Name and Title of Responsible Official; Signature and Date Signed.** Print or type complete name of official reporting the verification results; Signature. Sign your name legibly; Date Signed. Enter the date (month, day year) when worksheet was completed and signed.
