SUBJECT: 2023 Unemployment Insurance (UI) State Information Data Exchange System (SIDES) Seminar

1. **Purpose.** To provide information regarding the 2023 UI SIDES Seminar to be hosted by the National Association of State Workforce Agencies (NASWA) on April 18-20, 2023, in Indianapolis, IN.
2. **Action Requested.** State Administrators are requested to share this information with appropriate staff and support staff participation in the UI SIDES Seminar.
3. **Summary and Background.**
 - a. Summary – This Training and Employment Notice (TEN) announces the annual 2023 UI SIDES Seminar in Indianapolis, IN. It also provides reimbursement instructions.
 - b. Background – SIDES is a web-based system that allows the electronic transmission of UI claims information between UI agencies and employers. States should view SIDES as a critical part of their UI integrity efforts and should connect to and build SIDES into their Integrity Action Plan, as noted most recently in Unemployment Insurance Program Letter (UIPL) No. 17-22. The Employment and Training Administration (ETA) recognizes the importance of SIDES in reducing improper payments and supporting the efficient administration of the UI program. ETA encourages state participation in the UI SIDES Seminar to increase the use of the SIDES system.

NASWA, a national organization of state administrators of the publicly-funded state workforce system, operates SIDES on behalf of the states. NASWA has offered an annual UI SIDES Seminar for states for several years.
4. **Seminar Details.** The 2023 UI SIDES Seminar begins at 1:00 p.m. CT on April 18 and ends at 5:00 p.m. CT on April 20. The purpose of the seminar is to provide information on SIDES usage and operational issues and to facilitate SIDES-related business and technical discussions between state UI agencies and employers or their third-party administrators (TPAs).

The UI SIDES Seminar agenda will highlight promising state practices focusing on improving UI integrity and SIDES exchange implementation. Some of the workshop topics include exploring SIDES architecture & security; fraudulent UI trends; Benefit Timeliness Quality (BTQ); project planning; employer outreach; and roundtable discussions. The hands-on lab will be available to learn strategies for maintaining SIDES connectivity between the state/integrated partner system and the SIDES broker.

In addition to the SIDES topics, the NASWA Integrity Center will be on-hand to share information regarding implementation strategies and promising practices related to the Integrity Data Hub (IDH), availability of training resources related to integrity, and other NASWA services.

- a. **Intended Audience:** The UI SIDES Seminar is intended for state workforce administrators, UI and IT directors, UI benefits and tax managers, adjudication managers, appeals staff, state and employer/TPA SIDES liaisons, SIDES IT system analysts, programmers, and other appropriate staff.
- b. **Seminar Location and Hotel Information:** NASWA will host the 2023 UI SIDES Seminar on April 18-20, 2023, at the Crowne Plaza Indianapolis Downtown Union Station, 123 West Louisiana St, Indianapolis, IN 46225. Allowable travel costs include transportation, hotel lodging, per diem costs (consistent with the General Services Administration schedule or the state's out-of-state per diem requirements, whichever is less), and minor incidental costs like parking. NASWA will reimburse states only for accommodations on the nights of April 17 – 20, 2023.

After the seminar and upon receipt and approval of a single invoice summarizing travel costs incurred, NASWA will issue one reimbursement check per state for all participants from that state. The invoice to NASWA should include the name of the attendees, total travel expenses paid per attendee, the total requested reimbursement amount, and copies of all corresponding receipts to support the reimbursement, as required by the state's travel policy.

The invoice and documentation, including mailing instructions for the check (attention of individual or department, and address), must be scanned and emailed to accounting@naswa.org. Each attending state should submit its invoice no later than July 31, 2023. NASWA will not honor invoices submitted after July 31, 2023.

NASWA will send the state's reimbursement check within approximately four weeks after approval of the expense reimbursement documentation.
