	<b>DATE</b> March 10, 2023

**TO:** STATE WORKFORCE AGENCIES

**FROM:** BRENT PARTON /s/  
Acting Assistant Secretary

**SUBJECT:** Announcement of the Fiscal Year (FY) 2023 National Benefit Accuracy Measurement (BAM) Paid Claims Peer Reviews and New Three-year cycle for Future Reviews

1. **Purpose.** The purpose of this Training And Employment Notice is to provide the logistic details for the 2023 BAM Paid Claims Peer Reviews and to announce the new three-year schedule for future BAM Peer Reviews.
2. **Action Requested.** The information and instructions in this TEN should be shared with all BAM and other appropriate state staff.
3. **Summary and Background.**
  - a. Summary – This TEN announces the 2023 BAM Paid Claims Peer Reviews and the new three-year cycle for future BAM Peer Reviews.
  - b. Background – Beginning in FY 2015, the BAM Peer Review process changed to a three-year cycle for the evaluation of the state BAM program. Using a national approach for conducting the reviews, the BAM Peer Review process provides more uniformity in the review process and ensures that all the states are trained in a similar manner on BAM procedures.

As a result of the cancellations of BAM Peer Reviews in 2021 and 2022 due to the Covid-19 pandemic, the Department is resetting the review cycle. The new three-year cycle begins in 2023 as detailed in Section 5 of this document.
