SUBJECT : Governor's Request for Repayable Title XII Advances from the Federal Unemployment Account

1. Purpose. To provide Governors or their delegate with a new mailing address for submitting requests for Title XII advances and voluntary repayments to the Secretary of Labor. This directive amends UIPL No. 3-91, Change 1, dated January 22, 1991.

2. Reference. UIPL No. 3-91, dated November 7, 1990; UIPL No. 3-91, Change 1, dated January 22, 1991.

3. Background. Section 1201 of the Social Security Act permits the Governor, or at his/her discretion, the head of the State Employment Security Agency (SESA) or some other State official, to request repayable advances from the Federal unemployment account for any 3-month period during which State unemployment fund reserves are inadequate to meet current needs for the payment of benefits. Amounts needed for each month during the 3-month period must be shown separately. The amount approved for any month will be transferred to the State's account in the Unemployment Trust Fund (UTF) on a day-to-day basis as needed to accommodate agency requisitions from its trust fund account for benefit payments. Section 1202(a) of the Social Security Act provides that the Governor, or his/her delegate, may at any time request that funds be transferred from the account of the State in the UTF to the Federal unemployment account in repayment of part or all of advances to the State under Section 1201 of the Act.
