

FUTA RECEIPTS VS. AMOUNTS RETURNED
Explanatory Notes

Estimated FUTA

TOTAL -- Estimated total FUTA receipts (excluding reduced credits).

EUCA -- Share of receipts transferred to the Extended Unemployment Compensation Account (EUCA).

FUA -- Share of receipts transferred to the Federal Unemployment Account (FUA). This applies to FY 1988-91 only.

ESAA - Share of receipts retained in the Employment Security Administration Account (ESAA).

95% of ESAA - 95% of the ESAA share. The amount appropriated for State administration is limited by law to 95% of ESAA receipts.

Administrative Costs

UI - State administrative costs for UI, excluding postage and a portion of National Activities.

Other -- Includes Employment Service (ES), veterans employment programs, and Labor Market Information. All data excludes postage. ES fiscal year data is estimated from program year data and is adjusted for the general revenue share of ES funding (approximately 3% of the total).

Total -- Total administrative costs. All administrative cost data are Federal obligations. :

Benefits Paid

Fed Share EB - Federal share of Federal-State Extended Benefits (EB). Also includes shareable regular benefits.

EUC -- The estimated amount of Emergency Unemployment Compensation (EUC) benefits funded from FUTA.

Total to State -- Total FUTA funds returned to the State.

FUTA RECEIPTS VS. AMOUNTS RETURNED
Explanatory Notes

Administrative Grants

Some EUC administrative costs funded from general revenues are included in the State data. These total \$43 million in FY 1992 and \$217 million in FY 1993.

There are several items that are appropriated as State administration but are not included in the State data. These include postage costs, ES National Activities, and a portion of UI National Activities. Annual totals for postage and ES National Activities are shown below. Comparable data for UI National Activities are not available, but the total amount for FY 1981-93 that is not reflected in the State data is approximately \$20-30 million.

	<u>Postage</u>	ES National Activities
FY 1981	N.A.	N.A.
FY 1982	\$ 95.2 M	\$ 22.8 M
FY 1983	106.5	43.1
FY 1984	70.8	40.1
FY 1985	70.6	53.7
FY 1986	73.6	35.8
FY 1987	76.3	37.5
FY 1988	84.6	57.1
FY 1989	90.1	49.8
FY 1990	87.7	67.3
FY 1991	116.5	79.7
FY 1992	139.0	87.0
FY 1993	142.3	83.6

FUTA Estimates

Since actual data on FUTA receipts by State does not exist, it is necessary to estimate these data using wage and employment data from the ES202 report. Receipts are estimated by first estimating calendar year FUTA taxable wages and then multiplying by the effective tax rate (0.7% through CY 1982, then 0.8%). Calendar year estimates are then converted to fiscal year based on quarterly receipt patterns.

The sum of the State estimates do not match yearly totals reported by IRS or amounts deposited in the Unemployment Trust Fund because of IRS reporting problems for some years and the fact that deposits were based on estimates from 1986 to 1992, with large adjustments in 1989 and 1992. Also, the State estimates do not reflect unpaid taxes or penalties and interest.
