Amendment One

Strengthening Community Colleges Training Grants

AGENCY: Employment and Training Administration, Department of Labor

ACTION: Amendment to FOA-ETA-22-02

SUMMARY: The Employment and Training Administration announced on March 2, 2022, the availability of funds and the Funding Opportunity Announcement (FOA) for the Strengthening Community Colleges Training Grants to be awarded through a competitive process. This amendment revises language in the FOA.

The document is hereby amended as follows:

SECTION IV. APPLICATION AND SUBMISSION INFORMATION

Section IV.B.1.a Requirement for DUNS Number

The following language is added:

Starting April 4, 2022, the federal government will transition from using a DUNS Number to a Unique Entity Identifier (UEI), and all applicants will be required to supply their UEI on the SF-424. If your entity is registered with SAM.gov, your UEI has already been assigned and is viewable under your entity record. Organizations that are not registered with SAM.gov can obtain more information about obtaining a UEI at www.SAM.gov.

SECTION IV.B.3.g Project Narrative for Additional SCC2 Evaluation Funding

The first paragraph is deleted and replaced with the following:

As specified in Section I.G.2, all applicants for an SCC2 Program Grant may submit a separate application to receive additional funds for Additional SCC2 Evaluation Funding. Applying for Additional SCC2 Evaluation Funding is optional; applicants are not required to apply for Additional SCC2 Evaluation Funding in order to be considered for an SCC Program Grant, and they will not receive additional points for doing so. However, as stated in Section V.B.1, the grant officer may take into consideration utilization of additional evaluation funding when making final award selections.
