

# YOUTHBUILD GRANT AWARDS

## Overview

On June 10, 2021, the Department of Labor (DOL) awarded 68 YouthBuild grants totaling \$89 million to 31 states and Puerto Rico to help youth ages 16-24 who are neither enrolled in school nor participating in the labor market to obtain employment in construction and other in-demand industries. Individual grant awards range from \$700,000 to \$1.5 million each.

Administered by the department's [Employment and Training Administration](#), YouthBuild grants support a pre-apprenticeship model to help these young people learn valuable occupational skills. They will split their time between workplace training and the classroom, where they earn their high school diploma or equivalency degree and prepare for postsecondary opportunities.

Organizations deliver training and employment in several in-demand industries, including construction, where youth put their classroom learning to use in building or rehabilitating affordable housing for low-income or homeless families in their neighborhoods. They also prepare for postsecondary training opportunities, including college, apprenticeships, and employment in other in-demand industries such as healthcare, information technology, manufacturing and logistics, culinary arts and hospitality. YouthBuild includes significant support systems, such as mentoring, follow-up education, employment and personal counseling services, and participation in community service and civic engagement.

## Award Summary

- \$89 million dollars in YouthBuild funds awarded
- Awards range from \$700,000 to \$1.5 million each.
- The period of performance for the grants is 48 months, from July 1, 2021 –October 31, 2024

## AMIkids Baton Rouge, Inc.

### AMIkids Baton Rouge YouthBuild Program

<b>Project Title:</b>	AMIkids Baton Rouge YouthBuild Program
<b>Construction Plus Model:</b>	Construction and Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum</p> <p><b>Healthcare:</b> Certified Clinical Medical Assistant, Certified Electronic Medical Records Specialist, Certified Professional Coder</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$374,929
<b>Grantee City/State:</b>	Baton Rouge, LA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>AMIkids Baton Rouge, Inc. will provide a comprehensive pre-apprenticeship style training program to serve 84 youth over the project period. AMIkids Baton Rouge will provide academic training in the form of HiSet test preparation delivered by a Classroom (HiSet) Teacher. Forty percent of participants' daily activity will be focused on learning vocational skills; this will be delivered under the National Center for Construction Education and Research (NCCER) curriculum and OSHA 30-hour curriculum. Youth who participate in the Construction Plus component will attend healthcare industry training at Baton Rouge Community College. In addition, youth will complete the AMIkids Career Prep Academy for job readiness skills and financial literacy skills. AMIkids Baton Rouge will partner with Partners Southeast to gain access to low-income housing construction and renovation projects. After a participant completes all of the program elements, they will enter a 12-month follow-up period. Employer will serve as a One-Stop partner and AMIkids Baton Rouge YouthBuild will refer eligible youth between the agencies.</p>

## YOUTHBUILD GRANT AWARDS

### Berrien- Cass- Van Buren Workforce Development Board, Inc. Benton Harbor YouthBuild

<b>Project Title:</b>	Benton Harbor YouthBuild
<b>Construction Plus Model:</b>	Construction and Healthcare
<b>Industry Recognized Credential:</b>	<b>Construction:</b> Mosaic Christian Community Development Association (CCDA) <b>Healthcare:</b> Certified Nursing Assistant, Prometric Certification, Dementia Specialist, Restorative Specialist
<b>Total Funding:</b>	\$1,200,000
<b>Total Match Funding</b>	\$300,000
<b>Grantee City/State:</b>	Benton Harbor, Michigan
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Key aspects of the BH YB program model include: (1) Attainment of High School Equivalency or High School Diploma through participation in learner-centered individualized curricula under the direction of state-certified teachers. (2) Offering seven industry-recognized credentials through Construction and Construction Plus training that go beyond general career readiness credentials. (3) Hands-on construction training that will result in an affordable housing unit. (4) USDOL Registered Apprenticeship CNA training program with State certification. (5) Inclusion of leadership development in all components and a Youth Leadership Council. (6) Integration of BH American Job Center staff with the YB staff to provide job development support, employer connections, supportive services, and transition services. (7) Robust service-learning opportunities typically include helping the elderly, children, and community members with food insecurities. (8) Use of Jobs for America's Graduates (JAG) employability skills training curriculum through a partnership with the Jobs for Michigan's Graduates (JMG) program. (9) Postsecondary education and vocational training opportunities with educational partners. (10) Post-Program placement, follow-up, and retention services.

# YOUTHBUILD GRANT AWARDS

## Bibb County School District

### Bibb County School District YouthBuild Program

<b>Project Title:</b>	Bibb County School District YouthBuild Program
<b>Construction Plus Model:</b>	Construction, Healthcare, Warehouse and Distribution
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> Macon Area Habitat for Humanity, Inc.</p> <p><b>Healthcare:</b> Certified Nursing Assistant (CNA)</p> <p><b>Warehouse and Distribution:</b> Forklift Certification</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Macon, GA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Bibb County School District will achieve this objective by providing academic enrichment and remediation through SOAR Academy’s Twilight program, along with robust pre-apprenticeship in-demand pathways in partnership with Hutchings College and Career Academy. To provide hands-on experiential learning, while also expanding access to affordable housing in Macon-Bibb County, YouthBuild at SOAR Academy will partner with Macon-Area Habitat for Humanity to complete two new construction projects for local families in need. BCSD established a vision to ensure that “each student demonstrates the strength of character and is college and career ready.” In service of the vision, the mission of Bibb County School District is to “develop a highly trained staff and an engaged community dedicated to educating each student for the 21st Century global society.”

# YOUTHBUILD GRANT AWARDS

## Centers for Equity and Success, Inc. TAYBuild

<b>Project Title:</b>	TAYBuild
<b>Construction Plus Model:</b>	Construction and IT User Interface Design and Software Development
<b>Industry Recognized Credential:</b>	<b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Habitat for Humanity and John Muir Charter School  <b>Information Technology (Coding):</b> CompTIA and Google
<b>Total Funding:</b>	\$1,100,000
<b>Total Match Funding</b>	\$275,000
<b>Grantee City/State:</b>	San Francisco, CA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Centers for Equity and Success proposes implementing a comprehensive pre-apprenticeship training program for low-income high school drop-outs that provides education, construction training, coding training, and leadership development, in partnership with Habitat for Humanity and John Muir Charter School. Construction training is based on the NCCER curriculum and includes hands on training in the building of two small houses. After 20 weeks of onsite training, participants are placed on one of two affordable housing sites built by Habitat for Humanity. They receive an additional 500 hours of training over 18 weeks. All construction participants will receive additional training in Construction Math, to ensure they have the skillset to pass entry into union apprenticeships. The project includes a Construction Plus component of training in coding, with participants earning certifications from CompTIA and Google. A second phase provides for hands on training building a website or a small app, while a third phase includes an internship in the technology sector.

# YOUTHBUILD GRANT AWARDS

## Chicanos Por La Causa, Nevada, Inc.

### Chicanos Por La Causa, Nevada Inc. YouthBuild Las Vegas

<b>Project Title:</b>	Chicanos Por La Causa, Nevada Inc. YouthBuild Las Vegas
<b>Construction Plus Model:</b>	Construction, Healthcare, Welding
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, The College of Southern Nevada’s Division of Workforce and Economic Development, Workforce Connections, Southern Nevada’s Workforce Investment Board, Equus, Habitat for Humanity Las Vegas</p> <p><b>Healthcare:</b> Certified Nursing Assistant</p> <p><b>Welding:</b> Southern Nevada Local Laborers Training Trust 872, Las Vegas Institute of Welding</p>
<b>Total Funding:</b>	\$1,412,092
<b>Total Match Funding</b>	\$353,023
<b>Grantee City/State:</b>	North Las Vegas, NV
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	YBLV will deploy the YouthBuild USA-approved NCCER curriculum to teach basic building trade skills. All High School Equivalency curriculum is research based and approved by the Nevada Department of Education. An Integrated Basic Education and Skills Training approach facilitates team teaching between educational/occupational program partners. In partnership with CSN DWED and HHLV, this CPLC YBLV proposal includes constructing two attached two-bedroom homes, with HHLV providing the sites and related construction materials. This new construction supports residents in population areas that have higher than national poverty rates. The program will also offer a Construction Plus component in metal works/welding and Certified Nursing Assistant (CNA) program.

<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, County Corp, The Ohio State Apprenticeship Council</p> <p><b>Healthcare:</b> Certified Clinical Medical Assistant, Certified Electronic Medical Records Specialist, Certified Professional Coder</p> <p><b>Manufacturing: Certified Production Technician</b></p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Dayton, OH
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>The Ohio State Apprenticeship Council has designated all three of YouthBuild Dayton’s programs (construction, manufacturing and healthcare) as pre-apprenticeship programs. Participants will be trained in NCCER Core and then have the opportunity to become certified in a regionally recognized credential as a Residential Facilities Maintenance Technician. In manufacturing, participants will earn the MSSC certification as a Certified Production Technician and in Healthcare, participants have two options – they may either study in the National Health Career Association (NHA) track where they earn stackable credentials starting with: Phlebotomy Technician, then EKG Technician and then Certified Patient Care Technician. Participants can also pursue a healthcare track which focuses on working with individuals with Developmental Disabilities. With a Construction Workforce Advisory Committee (WAC) comprised of four local construction companies, a Manufacturing WAC of four local manufacturing companies and two Healthcare Workforce Advisory Committees comprised of four local healthcare agencies for the NHA track and three for the OADSP track, County Corp – YouthBuild – Dayton, stays abreast of critical skills employers are seeking in an emerging workforce. This close partnership with local businesses as well as strong relationship with the Ohio Means Jobs   Job Center (an American Job Center or one-stop center) provides an extensive network of resources for postsecondary placements.</p>

## Homework Hangout Club, Inc. HHC YouthBuild

<b>Project Title:</b>	HHC YouthBuild
<b>Construction Plus Model:</b>	Construction and Culinary
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> OSHA Safety Training Courses, National Center for Construction Education and Research (NCCER) Core Curriculum, ISSA Certified Cleaning Managed Training Standard credentials</p> <p><b>Culinary:</b> Illinois Food Protection Manager licensing, National Restaurant Association Certified Restaurant Professional</p>
<b>Total Funding:</b>	\$1,299,368
<b>Total Match Funding</b>	\$324,842
<b>Grantee City/State:</b>	Decatur, IL
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Homework Hangout Club, Inc. will have participants assessed for in house counseling services and other supportive services based on a documented assessment of need. They are also assessed to determine their industry-of-focus while in HHC YouthBuild: the traditional Construction program or the Construction Plus industry: Food Service. Participants will complete the 20-week Education Phase of the project, where they begin GED/ABE instruction and Occupational Skills Training to obtain industry-recognized credentials. After exiting the Education Phase, participants enter the work phase, experiencing hands-on learning through either on-the-job construction skills training at HHC worksites (Construction) or placement at collaborating worksite Hazel's Kitchen (Food Service). Upon graduating, the participants receive follow-up services to place them into registered apprenticeships – including within collaborating Building Trades and HHC's Building/Maintenance Repair apprenticeship, living-wage employment, and postsecondary education. Integrating these components develops young adults into disciplined, accountable, employable individuals qualified to enter the targeted industries upon completion.</p>

## Knoxville Leadership Foundation

### 2021 YouthBuild Construction Plus Project (YB C+)

<b>Project Title:</b>	2021 YouthBuild Construction Plus Project (YB C+)
<b>Construction Plus Model:</b>	Construction, Culinary
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> Home Builders Institute Pre-Apprenticeship Certificate Training (PACT) program, Neighborhood Housing, Inc.</p> <p><b>Culinary:</b> University of Tennessee’s Culinary &amp; Catering Program, National Restaurant Association Education Foundation’s Restaurant Ready certification</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Knoxville, TN
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Knoxville Leadership Foundation will invest in employer and services partners to fully support school dropout and at-risk youth. The program will offer case management, support services, and academic programs at Elm Street Workforce Training Facility, where critical partners are co-located to ensure services are available as training programs. Youth will begin their career path and gain measurable skills by completing a pre-certification program that provides a stackable credential leading to internships, certificates, apprenticeships, HiSET, and two- or four-year college degrees. Pre-certification programs will provide hands-on training and shadowing journeyman tradespeople leading to employment. All youth will complete four core units of the Home Builders Institute’s Pre-Apprenticeship Certificate Training (PACT) program. After completing PACT core, youth can transfer to the Construction Plus University of Tennessee’s Culinary &amp; Catering Program to gain the National Restaurant Association Educational Foundation’s Restaurant Ready certification. Youth remaining in construction will complete PACT Carpentry.</p>

<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Lewis and Clarks Building Futures program will include a Construction Plus approach for the high-demand fields of Computer Careers and Transportation, Distribution &amp; Logistics (TDL). The project will ultimately enhance individual opportunities, create affordable housing, and help the region's economy. Pathway Preparation includes Mental Toughness and Pathway Selection courses. The Career Pathway phase includes contextualized education and occupational skills training in Construction, Computer Careers, or TDL. Students will complete community service projects related to their fields of study, including constructing a new home for a low-income family. Both pathways include OSHA safety and CPR training and lead to the Follow-Up phase, which targets advancing in each pathway through further training, enrolling in college, employment, and follow-up services. A strong support system of case management (ASAP) will follow students through their time in YouthBuild; IBEST and the Mockingbird Education curriculum will guide instruction, and student stipends will be utilized in all three years.</p>

## Livermore Valley Joint Unified School District Build

<b>Project Title:</b>	Build
<b>Construction Plus Model:</b>	Construction, Welding
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> City of Livermore, Multi-Craft Core Curriculum Pre-Apprenticeship program (MC3), Lawrence Livermore National Laboratory, OSHA Safety Training Courses, Women’s Health and Safety training</p> <p><b>Welding:</b> American Welding Society (AWS)</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Livermore, CA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Livermore Valley Joint Unified School District offers academic and occupational skills training to support students in earning their high school diploma or equivalency certificate while also providing problem-based learning and occupational training in their chosen career track. Local need is evidenced by overwhelming increases in Tri-Valley's cost of living, unemployment, and suburban poverty affecting youth. All students will receive CPR/First-Aid and OSHA 10 certifications and will have the opportunity to complete their high school diploma and equivalency certificate. Students will also have the opportunity to earn incentives throughout the program for placement in college, apprenticeship, or employment. Students have the option of receiving the Multi-Craft Core Curriculum (MC3) Pre-Apprenticeship program construction certification or enrolling in the C+ Welding component to prepare for the American Welding Society (AWS) certification test. Students enrolled in the construction training will receive construction-based math and science tutoring, helping them to master math as it relates to construction and daily life.</p>

## YOUTHBUILD GRANT AWARDS

### Local Workforce Investment Area III, Inc. - Workforce Partnership YouthBuild Kansas City, Kansas (YBKCK)

<b>Project Title:</b>	YouthBuild Kansas City, Kansas (YBKCK)
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<b>Construction:</b> Community Housing of Wyandotte County (CHWC) National Center for Construction Education and Research (NCCER) Core Curriculum,  <b>Healthcare:</b> Certified Nurse Aide (CNA)
<b>Total Funding:</b>	\$1,244,907
<b>Total Match Funding</b>	\$311,226.75
<b>Grantee City/State:</b>	Lenexa, KS
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Local Workforce Investment Area III will provide educational and job skills training, leadership development and community service, as well as placement in employment or apprenticeships. YBKCK's education partner, Kansas City Kansas Community College (KCKCC), provides Adult Basic Education classes and supportive services as trainees complete their GED. Delores Homes Training Center will also provide CNA coursework and clinical experience for trainees in the Construction Plus pathway. YBKCK utilizes the National Center for Construction Education and Research (NCCER) Core Curriculum resulting in a NCCER Core Curriculum Certification. Throughout the program, trainees will have career and post-secondary exploration opportunities through partner commitments and placement in employment or apprenticeships through Workforce Partnership (WIOA One-Stop provider) and a network of employer and union partners.

## Los Angeles Conservation Corps YouthBuild FY21

<b>Project Title:</b>	YouthBuild FY21
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Multi-Craft Core Curriculum (MC3)</p> <p><b>Healthcare:</b> Certified Nursing Assistant (CNA), The Education Corps, Charles Drew Medical Center</p>
<b>Total Funding:</b>	\$1,499,981
<b>Total Match Funding</b>	\$374,995.25
<b>Grantee City/State:</b>	Los Angeles, CA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Los Angeles Conservation Corps will provide hands-on work experience, construction skills training, education, supportive services, and job placement. An Advisory Board composed of construction companies, trainers, and trade unions has developed a curriculum that will produce job-ready and competitive program graduates. Training focuses on Multi-Craft Core Curriculum (MC3) or National Center for Construction Education and Research (NCCER). Construction trade unions recognize the Los Angeles Conservation Corps YouthBuild program as a pre-apprenticeship program. It enables program graduates to begin their construction careers at a higher level, second-period apprenticeships.

## New North Citizens' Council, Inc. Connecticut River Valley YouthBuild

<b>Project Title:</b>	Connecticut River Valley YouthBuild
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> OSHA Safety Training Courses, Home Builders Institute Pre-Apprenticeship Certificate Training (PACT) program, North End Housing Initiative</p> <p><b>Healthcare:</b> Certified Nursing Assistant (CNA)</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Springfield, MA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>New North Citizens' Council will operate a Construction Plus program with additional training in the much-needed healthcare industry in partnership with Springfield Technical Community College. The housing project will be supervised by Connecticut River Valley YouthBuild's two credentialed staff members. NNCC is uniquely structured and has been successful in developing social service programming in the area. The partnerships that have been developed have added strength to the overall mission. All the partners will be trained and help develop the current YouthBuild program. There is a clear understanding of the overall mission and everyone's role in that mission. Under the strong leadership of NNCC, this team is working together to address affordable housing issues, undereducated youth, and an extremely high youth unemployment rate.</p>

## New River-Mount Rogers Workforce Development Area Consortium Pathways to Youth Opportunities

<b>Project Title:</b>	Pathways to Youth Opportunities
<b>Construction Plus Model:</b>	Construction, Healthcare, IT, Manufacturing
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Home Builders Institute Pre-Apprenticeship Certificate Training (PACT) program</p> <p><b>Healthcare:</b> Certified Nursing Assistant, Medical Assistant, Pharmacy Technician, Peer Recovery Specialists, Licensed Practical Nurse</p> <p><b>Manufacturing:</b> Production Technician, Mechatronics Technician, Machinist</p> <p><b>IT:</b> Computer User Support Specialist, CompTIA IT Fundamentalism, Computer Network Support Specialist</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Radford, VA
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in a rural area
<b>Summary of Program Activities:</b>	<p>New River-Mount Rogers Workforce Investment Area Consortium intentionally aligns partners, services, and resources to influence positive behavior change and empower youth through employment in meaningful careers. Project activities address barriers that often impede youth from completing postsecondary training, earning credentials, and attaining (and retaining) employment. The program model integrates in-demand, industry-recognized, credential-based training and work readiness skills while providing wraparound services and coaching to promote participant success. These efforts will assist participants in obtaining employment that leads to self-sufficiency along an identified career pathway. The education component includes Foundational, Sector, and Technical skills development and strategies that support maximum co-enrollments with local workforce preparation programs. During the Sector Skills component, a Construction Integrated Education and Training program will be offered with an affordable house for low-income families being built in both New River and Mount Rogers. During the Technical Skills component, youth can choose to stay in the construction industry for advanced training or transition into an in-demand occupation in manufacturing, healthcare, or IT.</p>

<b>Total Funding:</b>	\$1,000,000
<b>Total Match Funding</b>	\$250,000
<b>Grantee City/State:</b>	Kingston, NY
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Rural Ulster Preservation Company will provide HSE preparation and College readiness in an academic setting on site at the High Point, Liberty Street, Newburgh, New York. The classes will be taught in English and Spanish by two licensed educational staff from SUNY Orange, who will focus their curriculum on including the core subjects needed to pass the TASC-HSE exam, Math, Reading, Writing, Science and Social Studies while using technology, project based learning and service learning as a way to engage the YouthBuild members. YouthBuild Newburgh offers construction training for those interested in a career in carpentry and construction trades. This training includes but is not limited to the OSHA 10 and NCCER curriculum. This will ensure YouthBuild members leave the program with an industry-recognized credential in construction before entering the workforce. The program will also offer healthcare professions training in Clinical Medical Assistant (CMA) certificate program through partnerships with Montefiore St. Luke’s Cornwall Hospital and paid internships at Woodland Pond CCRC.</p>

## YOUTHBUILD GRANT AWARDS

### SER- Jobs for Progress of the Texas Gulf Coast, Inc. SERJobs YouthBuild Houston

<b>Project Title:</b>	SERJobs YouthBuild Houston
<b>Construction Plus Model:</b>	Construction, Retail
<b>Industry Recognized Credential:</b>	<b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, OSHA Safety Training Courses  <b>Retail:</b> NRF- RISE UP
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Houston, TX
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	SER-Jobs for Progress of the Texas Gulf Coast, Inc. will partner with WorkTexas and the Harris County Juvenile Probation Department (HCJPD) to provide an innovative and comprehensive YouthBuild program. The project will provide educational services and occupational training in construction trades with a Construction Plus component in the electrical and customer service industries, with the goal of helping them enter employment or further education upon program exit. SER will utilize a holistic model that combines academic instruction, occupational training, community service learning and leadership development, career exploration, and wraparound services, coupled with a broad base of committed employer, apprenticeship, and community partners to provide youth with the services and work supports needed to achieve and maintain employment in high demand, high growth occupations.

## Sojourners Care Network YouthBuild of Southeastern Ohio (YOSO)

<b>Project Title:</b>	YouthBuild of Southeastern Ohio (YOSO)
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Sojourners Care Network</p> <p><b>Healthcare:</b> State Tested Nursing Assistant (STNA)</p>
<b>Total Funding:</b>	\$1,189,840
<b>Total Match Funding</b>	\$297,460
<b>Grantee City/State:</b>	McArthur, OH
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in a rural area
<b>Summary of Program Activities:</b>	Sojourners Care Network will have participants work toward their high school diploma or GED. High school education is provided as well as an alternative education program at Chillicothe City Schools. High school graduates are supported to attend college. Participants will earn a basic construction credential using an NCCER (National Center for Construction Education and Resources) nationally standardized curriculum. Construction skills will be applied in the rehabilitation of Sojourners' Transitional Housing units that house homeless youth. Construction Plus credentials will be offered in STNA-Nurse Aide, which has growing and in-demand employment prospects in the region.

# YOUTHBUILD GRANT AWARDS

## St. Louis Agency on Training and Employment St. Louis City YouthBuild

<b>Project Title:</b>	St. Louis City YouthBuild
<b>Construction Plus Model:</b>	Construction, IT, Machining
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Ranken Community Development Corporation (RCDC)</p> <p><b>Machining:</b> NIMS Certificate (National Institute for Metalworking Skills)</p>
<b>Total Funding:</b>	\$1,100,000
<b>Total Match Funding</b>	\$275,000
<b>Grantee City/State:</b>	St. Louis, MO
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>St. Louis Agency on Training and Employment will expand its apprenticeship opportunities to include both Machining and Information Technology. Both of these apprenticeships offer opportunities for YouthBuild participants to enter new fields of training which the U.S. Bureau of Labor Statistics and the Missouri Department of Economic Development project to be in continually high-demand. There will be three tracks of training and curriculum within the YouthBuild Program, which will be distinctive in their objectives, but integrated with one another. The three parts are basic skills development, construction skills training, and life skills and soft skills development. Every participant in the YouthBuild program will have the opportunity to receive stackable, portable, and industry-recognized credentials through NCCER.</p>

## The HOPE Program, Inc.

### YouthBuild Training for Bronx Opportunity Youth

<b>Project Title:</b>	YouthBuild Training for Bronx Opportunity Youth
<b>Construction Plus Model:</b>	Construction, Horticulture
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> Home Builders Institute Pre-Apprenticeship Certificate Training (PACT) program, OSHA Safety Training Courses</p> <p><b>Horticulture:</b> New York State Department of Environmental Conservation Pesticide Apprenticeship Training</p>
<b>Total Funding:</b>	\$1,499,000
<b>Total Match Funding</b>	\$374,750
<b>Grantee City/State:</b>	Brooklyn, NY
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	The HOPE Program will provide career training and opportunities for young adults in the Bronx facing significant barriers to employment. HOPE's program model combines essential skills, construction skills, and direct pipelines into the workforce- with core elements of the international YouthBuild model, including High School Equivalency and leadership development. The program will culminate in a hands-on project renovating eight affordable housing units in partnership with MBD Community Housing Corporation. The project also proposes a Construction Plus pathway in horticulture, based on successful experience offering horticultural training and projected growth in the field, involving hands-on landscaping and green infrastructure work experience with employer partners and resulting in multiple industry certifications.
<b>Public Contact Information:</b>	<p><b>Name:</b> Irene Blanche</p> <p><b>Title:</b> Chief Development and Evaluation Officer</p> <p><b>Phone:</b> 347-773-4591</p> <p><b>E-mail:</b> <a href="mailto:ibranche@thehopeprogram.org">ibranche@thehopeprogram.org</a></p>

# YOUTHBUILD GRANT AWARDS

## The WorkPlace

### YouthBuild Bridgeport (YB Bpt)

<b>Project Title:</b>	YouthBuild Bridgeport (YB Bpt)
<b>Construction Plus Model:</b>	Construction, Manufacturing
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum</p> <p><b>Manufacturing:</b> Fundamentals of Manufacturing Technology from Housatonic Community College</p>
<b>Total Funding:</b>	\$1,292,935
<b>Total Match Funding</b>	\$323,233.75
<b>Grantee City/State:</b>	Bridgeport, CT
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>The WorkPlace will include an academic skills component that features both classroom and online contextual learning via a tablet computer supplied by the program. It will also have an occupational skills component based on the YouthBuild-approved NCCERconnect curriculum, taught by an NCCER-certified Master Instructor, leading to industry-recognized certification in NCCER core construction skills and certification in one of the following: carpentry, electrical, or HVAC. For the Construction Plus component of this application, The WorkPlace will use HCC's Advanced Manufacturing curriculum to achieve recognized certification in Fundamentals of Manufacturing Technology. There will be a leadership component that includes peer-to-peer direction as well as participation with community leaders (such as the police department) in a Policy Council and training based on the YELL (Youth Engaged in Leadership and Learning) curriculum. A community service component will also be added in which participants work with community agencies to complete construction-related projects, such as wheelchair ramps for disabled veterans. Lastly, a career readiness component includes co-enrollment in The WorkPlace's Workforce Innovation and Opportunity Act youth program (WIOA Youth) and access to career readiness and job placement assistance through the American Job Centers.</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Adrienne Parkmond  <b>Title:</b> COO  <b>Phone:</b> 203-610-8506  <b>E-mail:</b> <a href="mailto:aparkmond@workplace.org">aparkmond@workplace.org</a></p>

# YOUTHBUILD GRANT AWARDS

## Tree Trust Tree Trust YouthBuild

<b>Project Title:</b>	Tree Trust YouthBuild
<b>Construction Plus Model:</b>	Construction, Arborist/ Tree Care Industry
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> Home Builders Institute Pre-Apprenticeship Certificate Training, Twin Cities Habitat for Humanity</p> <p><b>Arborist/ Tree Care Industry:</b> Tree Care Industry Association's (TCIA) Tree Care Apprentice Certificate</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Saint Paul, MN
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Tree Trust will train youth with barriers to employment with high-quality occupational training as they pursue their high school diploma. Students will be enrolled in either a pre-apprenticeship Construction program building houses in low-income communities or a Construction Plus Tree Care program focusing on a pre-apprenticeship arborist program. YouthBuild Construction students will learn the skills of an entry-level carpenter and obtain the Home Builders Institute Pre-Apprenticeship Certificate Training (HBI PACT) credential. YouthBuild Tree Care students will learn the skills of an entry-level tree care worker using curriculum from the Tree Care Industry Association (TCIA) to earn the TCIA Tree Care Apprentice Certificate, which is the initial industry-recognized certification in the TCIA Tree Care Academy. Staff will work with participants to establish an individual development plan (IDP) based on their goals. With the IDP as a guide, staff provides case management, career exploration, employment readiness training and introductions to apprenticeship and post-secondary programs.</p>

# YOUTHBUILD GRANT AWARDS

## Valencia College Osceola Campus Greater Orlando YouthBuild Plus (GO-YB+)

<b>Project Title:</b>	Greater Orlando YouthBuild Plus (GO-YB+)
<b>Construction Plus Model:</b>	Construction, Healthcare, Logistics
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> OSHA Safety Training Courses, Habitat for Humanity of Greater Orlando &amp; Osceola County</p> <p><b>Healthcare:</b> Front Office Medical Specialist</p> <p><b>Logistics:</b> Warehouse Logistics Specialist, Forklift, Manufacturing Skill Standards Council (MSSC) Certified Logistics</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Kissimmee, FL
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	Valencia College (VC) has strong connections to industry partners who identify current employment needs and assist in curriculum development. VC selected the targeted area due to high unemployment and poverty rates, and the need for educational pathways to credentials and employment opportunities. Participants will develop the academic and occupational skills needed to obtain a GED (General Education Diploma) and industry certifications. Construction Plus programs include healthcare and logistics tracks. All programs provide a project-based learning environment, service learning opportunities, support services and, due to strong industry partnerships, a network of multiple employment opportunities for graduates.
<b>Public Contact Information:</b>	<p><b>Name:</b> Kristeen Gammon</p> <p><b>Title:</b> Assistant Vice President of Resource Development</p> <p><b>Phone:</b> 407-582-2909</p> <p><b>E-mail:</b> <a href="mailto:kchristian6@valenciacollege.edu">kchristian6@valenciacollege.edu</a></p>

## Youth Over Us, Inc. Franklin County YouthBuild

<b>Project Title:</b>	Franklin County YouthBuild
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> OSHA Safety Training Courses</p> <p><b>Healthcare:</b> Phlebotomist, EKG/ ECG Cardiovascular Technologist, State-Trained Nursing Assistant (STNA), Patient Care Technician</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Columbus, OH
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>Youth Over Us make sure graduates have maximum opportunity for job opportunities available under HUD Section 3. The program has found students' Section 3 status to be a real barrier to placement when working with large employers. As a result, staff has worked hard to place several graduates in Section 3-eligible apprenticeship and employment positions. The program offers both construction and Construction Plus in the health care field. FCYB offers both GED and HSD academic training and industry recognized credentials in construction and health care.</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Michael Dean  <b>Title:</b> Executive Director  <b>Phone:</b> 614-607-5641  <b>E-mail:</b> <a href="mailto:mdean@youthbuildmcleancounty.org">mdean@youthbuildmcleancounty.org</a></p>

## YouthBuild Columbus Community School YouthBuild Columbus

<b>Project Title:</b>	YouthBuild Columbus
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, OSHA Safety Training Courses</p> <p><b>Healthcare:</b> National Healthcare Association Medical Assistant, Phlebotomy, EKG Certification</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Columbus, OH
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>YouthBuild Columbus Community School guides participant's through a diploma-track construction and medical training program that includes registered pre-apprenticeship construction training and healthcare education offering certifications as a medical assistant, phlebotomist, and EKG technician. All vocational certifications can earn college credits under long-term articulation agreements with Columbus State Community College. Construction-track students earn NCCER core (and perhaps additional) certifications as they complete the substantial renovation of at least one unit of housing over the term of the grant. Healthcare-track students experience hands-on clinical training as part of their certification. All students receive high school academic instruction as prescribed by the State of Ohio. Leadership development has always been a key element of the YouthBuild philosophy and has been deeply ingrained in the program since its inception. Additionally, numerous supportive services are offered to students. Special education students receive a wide array of assistance. The program has a school psychologist, and each student is assigned a staff counselor-mentor.</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Leigh King  <b>Title:</b> Executive Director  <b>Phone:</b> 614-291-0805  <b>E-mail:</b> <a href="mailto:lking@ybccs.org">lking@ybccs.org</a></p>

## YouthBuild McLean County, Inc.

### DOL YouthBuild Program at YouthBuild McLean County

<b>Project Title:</b>	DOL YouthBuild Program at YouthBuild McLean County
<b>Construction Plus Model:</b>	Construction, Healthcare
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, OSHA Safety Training Courses</p> <p><b>Healthcare:</b> Certified Nursing Assistant (CNA)</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Normal, IL
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>The comprehensive design of the YouthBuild program provides a way for communities to address multiple needs at once. The youth work toward completing secondary school, entrance into apprenticeship programs and learn job skills. The YBMC construction program will provide industry recognized credentials by facilitating the NCCER carpentry-training program, a DOL approved credential, OSHA safety training, and First Aid/CPR training through the American Red Cross. YBMC will offer Healthcare training as a Construction Plus program. Participants will work on an industry-approved curriculum in a high-growth career to earn a Certified Nursing Assistant credential through Heartland Community College and as a contingency Carepacks, a DOL approved credential. In addition, participants will learn First Aid/CPR training and safe handling of bloodborne pathogens through the American Red Cross and many other healthcare credentials. Participants will address community health and nutrition issues while providing training to seniors, their peers and children on a variety of community health issues.</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Michelle Klatt  <b>Title:</b> Chief Financial Officer  <b>Phone:</b> 309-454-3898  <b>E-mail:</b> <a href="mailto:mklatt@youthbuildmcleancounty.org">mklatt@youthbuildmcleancounty.org</a></p>

## YouthBuild Preparatory Academy YouthBuild Providence (YBP)

<b>Project Title:</b>	YouthBuild Providence (YBP)
<b>Construction Plus Model:</b>	Construction, Culinary
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Home Builders Institute Pre-Apprenticeship Certificate Training, Omni Development Corporation</p> <p><b>Culinary:</b> ServSafe Manager Certificate</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Providence, RI
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>YouthBuild Preparatory Academy will offer students occupational skill training in Construction and Food Service/Culinary. YouthBuild Providence’s hands-on Construction training combines community development with employment preparation as students build/rehab affordable housing units. YBP has aligned its project-based curriculum with the Common Core State Standards and the Career and Technology Education (CTE) standards, known at the state level as Career Clusters. YBP’s construction-related occupational training is built around the Home Builders Institute Pre-Apprenticeship Certificate Training (HBI PACT) and the NCCER’s Core Curriculum. YBP has been working with area partners for the past year to add a Food Service/Culinary training, registered apprenticeship, and certification program that will afford students in this pathway to complete certifications as a ServSafe Manager and a Certified Fundamental Cook (CFC) by the American Culinary Federation. This will prepare a student for jobs as Line Cooks, Food Preparation Workers, and Servers. Participants who demonstrate mastery in the above competencies will enter into the registered apprenticeship program sponsored by Kitchen Mentors.</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Anthony Hubbard  <b>Title:</b> Chief Executive Officer  <b>Phone:</b> 401-273-7528  <b>E-mail:</b> <a href="mailto:ahubbard@ybprep.org">ahubbard@ybprep.org</a></p>

## YouthDevelopment Corporation Flint, USA YouthDevelopment Corporation Flint, USA (YDC Flint)

<b>Project Title:</b>	YouthDevelopment Corporation Flint, USA (YDC Flint)
<b>Construction Plus Model:</b>	Construction/ Welding
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Carpenters International Training Fund, Multicraft Core Curriculum (MC3)</p> <p><b>Welding:</b> Shielded Metal Arc Welding</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Saginaw, MI
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>YouthDevelopment Corporation Flint, USA offers flexible, individualized options to earn a GED, high school diploma, and Associate's Degree. Efforts have been made to maximize the credit and credentialing alignment, allowing participants' coursework and training to count in multiple systems, thereby allowing for faster degree and credentialing attainment. The program offers project-based training and hands-on instruction from industry professionals using a core curriculum sponsored by the Carpenters International Training Fund (Career Pathways), Delta College, and the National Center for Construction Education and Research (NCCER). We have state-of-the-art in house training pods and access to Zspace training simulators, where students are given access to a virtual reality (VR) and augmented reality (AR) in a digital and physical space. The project design integrates a phase methodology where the education and training we provide builds and intensifies over time, so even if a student "exits" early in the program cycle, that participant is likely to have attained a "measurable gain" in education, training, or an industry recognized credential like the Multicraft Core Curriculum (MC3). Participants will also receive an array of wraparound services through job development, counseling, transportation, housing, financial literacy, medical care, and social/cultural enrichment activities that encourage growth and "mental toughness".</p>
<b>Public Contact Information:</b>	<p><b>Name:</b> Faith Saenz  <b>Title:</b> Executive Director  <b>Phone:</b> 989-233-8134  <b>E-mail:</b> <a href="mailto:faithsaenz@ydc.work">faithsaenz@ydc.work</a></p>

## YouthDevelopment Corporation Memphis, USA

### YDC Memphis YouthBuild Program

<b>Project Title:</b>	YDC Memphis YouthBuild Program
<b>Construction Plus Model:</b>	Construction, Welding
<b>Industry Recognized Credential:</b>	<p><b>Construction:</b> National Center for Construction Education and Research (NCCER) Core Curriculum, Carpenters International Training Fund, Multicraft Core Curriculum (MC3)</p> <p><b>Welding:</b> Shielded Metal Arc Welding</p>
<b>Total Funding:</b>	\$1,500,000
<b>Total Match Funding</b>	\$375,000
<b>Grantee City/State:</b>	Memphis, TN
<b>Population(s) to Be Served:</b>	Opportunity youth ages 16-24 in an urban area
<b>Summary of Program Activities:</b>	<p>YouthDevelopment Corporation Memphis, USA employs a simple yet comprehensive approach: Provide each student with education, training, and credentialing options that are "stackable," "portable," and "transferrable." Once a participant successfully completes the YDC Memphis YouthBuild Program, the project can provide 100% of them with direct entry into a registered apprenticeship at a skilled trade organization (YouthDevelopment Corporation, USA of Saginaw, Michigan, Regional Council of Carpenters, Saginaw Electrical Joint Apprenticeship &amp; Training Committee, Home Depot Apprenticeship Program, and Painters Union). Alternatively, students can decide to earn "prevailing" wages in Mississippi working at Huntington Ingalls in the skilled trades. The program offers flexible, individualized options to earn a GED, high school diploma, and/or Associate's Degree to prepare students for this outcome. Efforts have been made to maximize the credit and credentialing alignment, allowing participants' coursework and training to count in multiple systems, thereby allowing for faster degree and credentialing attainment. The program offers project-based training and hands-on instruction from industry professionals using a core curriculum sponsored by the Carpenters International Training Fund (Career Pathways) and the National Center for Construction Education and Research (NCCER).</p>
