Dear Employer:

Enclosed you will find citations for violations of the Occupational Safety and Health Act of 1970 (the Act) which may have accompanying proposed penalties. Also enclosed is a booklet entitled, "Employer Rights and Responsibilities Following an OSHA Inspection", (OSHA 3000-04R) revised 2018, which explains your rights and responsibilities under the Act. If you have any questions about the enclosed citations and penalties, I would welcome further discussions in person or by telephone. Please contact me at (770) 493-6644.

You will note on page 6 of the booklet that, for violations which you do not contest, you must (1) notify this office promptly by letter that you have taken appropriate corrective action within the time set forth on the citation; and (2) pay any penalties assessed. Please inform me of the abatement steps you have taken and of their dates together with adequate supporting documentation; e.g., drawings or photographs of corrected conditions, purchase/work orders related to abatement actions, air sampling results. This information will allow us to close the case.

As indicated on page 3 of the booklet, you may request an informal conference with me during the 15-working-day notice of contest period. During such an informal conference you may present any evidence or views which you believe would support an adjustment to the citation or the penalty.

If you are considering a request for an informal conference to discuss any issues related to this Citation and Notification of Penalty, you must take care to schedule it early enough to allow time to contest after the informal conference, should you decide to do so. Please keep in mind that a written letter of intent to contest must be submitted to the Area Director within 15 working days of your receipt of the citation. The running of this contest period is not interrupted by an informal conference.

If you decide to request an informal conference, please complete the attached notice at the bottom of this letter and post it next to the Citations as soon as the time, date and the place of the informal conference have been determined. Be sure to bring to the conference with you any and all supporting documentation of existing conditions as well as of any abatement steps taken thus far. If conditions warrant, we can enter into an informal settlement agreement which amicably resolves this matter without litigation or contest.

You should be aware that OSHA publishes information on its inspection and citation activity on the Internet under the provisions of Electronic Freedom of Information Act. The information related to these alleged violations will be posted when our system indicates that you have received this citation. You are encouraged to review the information concerning your establishment at www.osha.gov. If you have any dispute with the accuracy of the information displayed, please contact this office.

Sincerely,

Joshua W. Turner

Inspection Site: 1765 Vinson Highway Southeast, Milledgeville, GA 31061

Citation 1 Item 1 Type of Violation: **Serious**

OSH ACT of 1970 Section 5(a)(1) of the Occupational Safety and Health Act: The employer did not furnish employment and a place of employment which were free from recognized hazards that were causing or likely to cause death or serious physical harm to employees, in that employees were working in close proximity to each other and were exposed to SARS-CoV-2 (severe acute respiratory syndrome coronavirus 2), the cause of Coronavirus Disease 2019 (COVID-19).

a) Johnnie McDade Grocery, 1763 Vinson Highway SE, Milledgeville, GA-On or about May 27, 2021 and thereafter, the employer did not develop and implement timely and effective measures to mitigate the spread of SARS-CoV-2, the virus that causes Coronavirus Disease 2019 (COVID-19). Employees at the cash register, aisles, and office area worked in close proximity to each other during the COVID-19 pandemic. These conditions allowed the perpetuation of an outbreak of COVID-19 at the facility.

Among other methods, a feasible and acceptable means of abatement would be to develop, implement, and train employee(s) on a COVID-19 Prevention Program that includes, at a minimum, the following protocols:

1. Establish and implement physical distancing measures to ensure that anyone in the workplace maintains at least a six-foot distance between other employees, customers, and visitors (e.g. floor demarcations, occupancy limits);
2. Install transparent, impermeable barriers at customer-facing stations, lunch rooms, break areas and in other common areas if physical distancing is not possible;
3. Perform routine cleaning and disinfection, especially high contact surfaces, and provide cleaning supplies and no-touch trash cans;
4. Provide training on the sources of exposure to COVID-19, the hazards associated with that exposure, and the workplace protocols in place to prevent or reduce the likelihood of exposure. Train on the use of face coverings, how to maintain a safe distance, and the appropriate workplace methods and procedures in place to prevent and reduce exposure;
5. Encourage employees to get vaccinated, as appropriate under applicable laws and/or labor management contracts.
6. Instruct workers who are sick to stay home. Screen employee(s) for COVID-19 symptoms. If they have symptoms before or during work, immediately send them home and encourage them to seek medical attention;
7. Establish, implement, and enforce a program requiring anyone in the workplace to wear face coverings (e.g. cloth face coverings, surgical masks); and
8. Follow federal, state, and local mandates, guidance, and recommendations to ensure public safety and health related to COVID-19.

Pursuant to 29 CFR 1903.19, the employer must submit documents describing the measures it is taking to ensure

Pursuant to the Debt Collection Act of 1982 (Public Law 97-365) and regulations of the U.S. Department of

Labor (29 CFR Part 20), the Occupational Safety and Health Administration is required to assess interest, delinquent charges, and administrative costs for the collection of delinquent penalty debts for violations of the Occupational Safety and Health Act.

Interest: Interest charges will be assessed at an annual rate determined by the Secretary of the Treasury on all penalty debt amounts not paid within one month (30 calendar days) of the date on which the debt amount becomes due and payable (penalty due date). The current interest rate is one percent (1%). Interest will accrue from the date on which the penalty amounts (as proposed or adjusted) become a final order of the Occupational Safety and Health Review Commission (that is, 15 working days from your receipt of the Citation and Notification of Penalty), unless you file a notice of contest. Interest charges will be waived if the full amount owed is paid within 30 calendar days of the final order.

Delinquent Charges: A debt is considered delinquent if it has not been paid within one month (30 calendar days) of the penalty due date or if a satisfactory payment arrangement has not been made. If the debt remains delinquent for more than 90 calendar days, a delinquent charge of six percent (6%) per annum will be assessed accruing from the date that the debt became delinquent.

Administrative Costs: Agencies of the Department of Labor are required to assess additional charges for the recovery of delinquent debts. These additional charges are administrative costs incurred by the Agency in its attempt to collect an unpaid debt. Administrative costs will be assessed for demand letters sent in an attempt to collect the unpaid debt.
