RE: Notice of Election to Treat the Western Glaziers Retirement Trust as Being Neither in Endangered nor Critical Status for the Plan Year Beginning July 1, 2009

The Board of Trustees has made an election under Section 204 of the Worker, Retiree and Employer Recovery Act of 2008 to treat the Western Glaziers Retirement Trust as being neither in endangered nor critical status for the Plan Year beginning July 1, 2009. The Plan status would have been in endangered status had this election not been made as was certified to the Secretary of the Treasury by the Plan's actuary. This election applies only for the July 1, 2009 Plan Year. If the Plan is certified to be in endangered or critical status for the July 1, 2010 Plan Year, notice will be provided as to the Plan's status and steps will be taken to improve the Plan's funded situation.

If the Plan is certified to be in critical status for the July 1, 2010 Plan Year, the steps that will have to be taken to improve the Plan's funded situation will include a surcharge on employer contributions and may include amendments to reduce early retirement benefits or other adjustable benefits for such individuals.

In the event you have any questions or would like additional information, you may contact the Plan Administrator by contacting Welfare & Pension Administration Service, Inc. at P.O. Box 34203, Seattle, Washington, 98124-1203, phone number (206) 411-7574.
