*Docket No. 96-425; Submitted on the Record;
Issued January 29, 1998*

DECISION and ORDER

Before MICHAEL J. WALSH, GEORGE E. RIVERS,

The issue is whether appellant has met her burden of proof in establishing that she sustained a recurrence of disability on or after October 12, 1993 entitling her to compensation benefits.

The Board has given careful consideration to the issue involved, the contentions of appellant on appeal and the entire case record. The Board finds that the decision of the Office of Workers' Compensation Programs' hearing representative dated September 28, 1995, is in accordance with the facts and law in this case and hereby adopts the findings and conclusion of the hearing representative.

The September 28, 1995 decision of the Office of Workers' Compensation Programs is affirmed.
