

that the evidence submitted in support of her request was repetitious in nature and insufficient to warrant review of its prior decision. It did not note receipt or consideration of the December 6, 2010 report. Instead, OWCP indicated that the only medical evidence submitted in support of the reconsideration request was evidence from Dr. C. Fandrich.

The Board finds that OWCP, in its February 14, 2011 decision, did not review the December 6, 2010 report from Dr. Leahy that was received by OWCP on December 27, 2010. For this reason, the case will be remanded to OWCP to enable it to properly consider all the evidence submitted at the time of the February 14, 2011 decision. Following such further development as OWCP deems necessary, it shall issue an appropriate decision on the claim.

**IT IS HEREBY ORDERED THAT** the February 14, 2011 decision of the Office of Workers' Compensation Programs set aside. The case recorded is remanded to OWCP for further proceedings consistent with this order of the Board.
