Mr. Richard Anders, Financial Secretary Roofers Local 97 Case Number: 310-6025388() LM Number: 044279

Dear Mr. Anders:

This office has recently completed an audit of Roofers Local 97 under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you on September 7, 2023, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

## Recordkeeping Violation

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of Local 97's 2021 records revealed the following recordkeeping violation:

Direct Disbursements to Vendors

Local 97 did not retain adequate documentation for benefit and health and welfare expenses totaling at least \$5,100. For example, in December 2022, Local 97 disbursed heck at least \$2,308.03 to National Roofing Industry Pension Plan (NRIPP) However, adequate supporting documentation was not maintained.

As noted above, labor organizations must retain original receipts, bills, and vouchers for all disbursements. The president and treasurer (or corresponding principal officers) of your union, who are required to sign your union's LM report, are responsible for properly maintaining union records.

Based on your assurance that Local 97 will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violation.

## **Reporting Violation**

Failure to File Bylaws

The audit disclosed a violation of LMRDA Section 201(a), which requires that a union submit a copy of its revised constitution and bylaws with its LM report when it makes changes to its constitution or bylaws. Local 97 amended its constitution and bylaws in 2019 but did not file a copy with its LM report for that year. Local 97 has now filed a copy of its constitution and bylaws.

I want to extend my personal appreciation to Roofers Local 97 for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.

Sincerely,

Investigator
