#### Project Description

These grants will provide the Pueblo of Nambé funds for services as depicted in the District's service and long range plan.

#### Project Benefits

These services will provide greater opportunity for tribal and community members to access employment, medical, educational, and recreational facilities within the service area of the district.

**Additional Information**

Funds will be used for partial reimbursement of continued transit services, the cost associated to run the routes that serve Nambe Pueblo is significantly larger than the allocation and it is approximately \$150,000.

**Location Description**

The Pueblo of Nambe is located approximately 18 miles north of Santa Fe off US 84/285 and NM 503, it encompasses nearly 20,000 acres consisting of towering cottonwoods, juniper, scrub oak and an occasional outcropping of sandstone. The Rio Nambé, whose headwaters begin high in the mountains, 5 miles to the east of the reservation boundary, flows through the Pueblo and eventually feeds into the Rio Grande.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

#### Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
