Award Description

Purpose

2/15/2024

The purpose of this new award is to add lapsing funds from the FY2022 apportionment of the Section 5311 (Non-Urbanized Formula), \$22,282,367 federal funds, FY2022 RTAP \$384,271 federal funds, and FY2022 Appalachian \$6,564,671 federal funds. The total amount of federal funds to be added to the grant is \$29,231,309. Activities in the project will consist of: Operating Assistance, Program Administration, Intercity Bus Operating Assistance, State Administration, and RTAP/Training to assist the state and its subrecipients in FY2025.

It is programmed in the Alabama 2023-2027 STIP.

Activities to be performed:

Funds will be used to cover eligible operating expenses such as driver salaries, fuel, items having a useful life of less than one-year, preventive maintenance, etc. in order to continue transit operations. Funds will also be used for training and technical assistance along with Intercity and State Administration activities. RTAP funds will be used for providing rural training, technical assistance and research initiatives. RTAP will also be used to promote the delivery of safe and effective public transportation in non-urbanized areas; to make more effective use of public and private resources in the provision of rural transportation; to support the coordination of public and human service transportation; and to foster the development of state and local capacity for addressing the training and technical assistance needs for the rural transportation community. Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
