Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

The Pueblo of Santa Ana will be applying for FY 2022 Formula Funds of \$54,820.00, FY 2023 Formula Funds of \$55,078.00 and FY 2024 Formula Fund of \$42,740.00 totaling \$152,638.00 to continue operational cost for existing transit system. The purpose of the award is to provide exceptional service to the rural community within the service area. This includes a fleet of well maintained vehicles and serviced equipment used to provide service. In addition, it will allow for a healthy and safe environment for employee's and customer needs.

Activities to be performed:

The application scope of work includes operating costs for essential services that are being provided to the community and maintenance costs associated with keeping transit vehicles in safe operating condition including mechanical repair and maintenance.

Expected outcomes:

Provide necessary public transportation for members of the pueblo with continuation of transit services.

Intended beneficiaries:

Beneficiaries of the service are members of the tribe and other general public.

Subrecipient Activities:

N/A

Part 3: Project Information

Project Title: Santa Ana Pueblo Operating Activities

Project Number	Temporary Project Number	Date Created	Start Date	End Date
NM-2024-016-01-00	6710-2024-3-P1	6/14/2024	1/19/2022	9/30/2026

Project Description

The Pueblo of Santa Ana was awarded FY 2022, FY 2023 and FY 2024 Formula funds which will be used for operational expenses to continue providing public transit services to tribal community members.

Project Benefits

The Santa Ana Transit system allows for greater mobility and opportunities to benefit tribal community members to access health care services, employment and educational institutions. In addition, the Santa Ana Transit will continue to provide day to day operations of transit services to the Santa Ana Pueblo community by providing direct services between the villages of Rebahene, Ranchito's, Chicale, and Eagle Estates with stops at the government services such as the Tamay Wellness Center, Santa Ana Clinic, Santa Ana Senior Center, Santa Ana Social Services, and Santa Ana Mill. On demand services includes downtown Bernalillo, Bernalillo Walmart, Bernalillo Post Office, Albertsons, Rail Runner, Home Depot, Santa Ana Casino and newly developed shopping stores located in Bernalillo. Other services include non-medical transportation to medical appointments and auxiliary services for employment. Many community members of the system have no other means of transportation and depend heavily on this service for access to healthcare, work, education, wellness, and social services programs.

Additional Information

None provided

Location Description

The Pueblo of Santa Ana is located in Sandoval County of New Mexico which is the north central part of the state. The Pueblo of Santa Ana is essentially in between numerous pueblos to include Pueblo of Zia,

Pueblo of Jemez, Pueblo of Santa Domingo and Pueblo of Sandia. Is it adjacent to a larger metropolitan of the City of Bernalillo, Rio Rancho and Albuquerque. Because of its location, the Pueblo's community can access essential services such as employment, education and other needs that benefit the community members of Santa Ana. A transit program that is currently operational offers a conduit to such services throughout. It is essential for the community to have a transit service in place. The support of funding will only further contribute to the opportunities available to Santa Ana Pueblo.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
