Comment This grant application contains Tribal Transit Program funds. While Tribes are not specifically exempted from Title VI of the Civil Rights Act of 1964 and other civil rights laws, FTA has exercised its authority to exempt Tribes that receive Tribal Transit Program funds from some administrative reporting requirements. At this time, there is no additional civil rights information needed from the Tribe to proceed with this application. If FTA later determines that additional civil rights information is needed, we expect the Tribe to comply with any requests.
