LM Number: 544086

Dear Mr. Hendrickson:

This office has recently completed an audit of Public Service Employees LU 1290PE under the Compliance Audit Program (CAP) to determine your organization's compliance with the provisions of the Labor-Management Reporting and Disclosure Act of 1959 (LMRDA). As discussed during the exit interview with you and Office Manager Stephanie Kates on February 25, 2013, the following problems were disclosed during the CAP. The matters listed below are not an exhaustive list of all possible problem areas since the audit conducted was limited in scope.

#### Recordkeeping Violations

Title II of the LMRDA establishes certain reporting and recordkeeping requirements. Section 206 requires, among other things, that labor organizations maintain adequate records for at least five years by which each receipt and disbursement of funds, as well as all account balances, can be verified, explained, and clarified. As a general rule, labor organizations must maintain all records used or received in the course of union business.

For disbursements, this includes not only original bills, invoices, receipts, vouchers, and applicable resolutions, but also documentation showing the nature of the union business requiring the disbursement, the goods or services received, and the identity of the recipient(s) of the goods or services. In most instances, this documentation requirement can be satisfied with a sufficiently descriptive expense receipt or invoice. If an expense receipt is not sufficiently descriptive, a union officer or employee should write a note on it providing the additional information. For money it receives, the labor organization must keep at least one record showing the date, amount, purpose, and source of that money. The labor organization must also retain bank records for all accounts.

The audit of Local 1290 PE's 2011 records revealed the following recordkeeping violations:

1. Disposition of Property

Local 1290 PE did not maintain an inventory of clothing, and other property it purchased, sold, or gave away. The union must report the value of any union property on hand at the beginning and end of each year in Item 28 of the LM-2. The union must retain an inventory or similar record of property on hand to verify, clarify, and explain the information that must be reported in Item 28.

The union must record in at least one record the date and amount received from each sale of union hats, jackets and other items.

## 2. Meal Expenses

Local 1290 PE did not require officers and employees to submit itemized receipts for meal expenses totaling at least \$1,840.08. The union must maintain itemized receipts provided by restaurants to officers and employees. These itemized receipts are necessary to determine if such disbursements are for union business purposes and to sufficiently fulfill the recordkeeping requirement of LMRDA Section 206.

Based on your assurance that Local 1290 PE will retain adequate documentation in the future, OLMS will take no further enforcement action at this time regarding the above violations.

### Reporting Violation

The audit disclosed a violation of LMRDA Section 201(b), which requires labor organizations to file annual financial reports accurately disclosing their financial condition and operations. The Labor Organization Annual Report Form LM-2 filed by Local 1290 PE for the fiscal year ended December 31, 2011, was deficient in that Local 1290 PE did not include the names of some officers and the total amounts of payments to them or on their behalf totaling at least \$3,153.54 in Schedule 11 (All Officers and Disbursements to Officers) and Schedule 12 (Disbursements to Employees). It appears that the local erroneously reported these payments in Schedules 15 through 19.

The union must report in Column F of Schedules 11 and 12 (Disbursements for Official Business) direct disbursements to officers and employees for reimbursement of expenses they incurred while conducting union business. In addition, the union must report in Column F of Schedules 11 and 12 indirect disbursements made to another party (such as a credit card company) for business expenses union personnel incur. However, the union must report in Schedules 15 through 19 indirect disbursements for business expenses union personnel incur for transportation by public carrier (such as an airline) and for temporary lodging expenses while traveling on union business. The union must report in Column G (Other Disbursements) of Schedules 11 and 12 any direct or indirect disbursements to union personnel for expenses not necessary for conducting union business.

I am not requiring that Local 1290 PE file an amended LM report for 2011 to correct the deficient items, but Local 1290 PE has agreed to properly report the deficient items on all future reports it files with OLMS.

I want to extend my personal appreciation to Public Service Employees LU 1290PE for the cooperation and courtesy extended during this compliance audit. I strongly recommend that you make sure this letter and the compliance assistance materials provided to you are passed on to future officers. If we can provide any additional assistance, please do not hesitate to call.
