PREAMBLE

This Agreement is effective July 1, 2006 and is made between the University of Medicine and Dentistry of New Jersey, 30 Bergen Street, Newark, New Jersey, 07107 (hereinafter called "University") and the Health Professionals and Allied Employees, AFT, AFL/CIO, 110 Kinderkamack Road, Emerson, New Jersey, 07630 (hereinafter called the "Union").

The parties recognize that it is the responsibility of the University to provide high quality educational programs, to encourage the development of new knowledge through research, and to provide patient care services to the larger community. The University recognizes that due to their education and experience, the staff members covered by this Agreement have a unique contribution to make towards the advancement and execution of the missions of the University.

This Agreement is intended to contribute to the fulfillment of those responsibilities. The parties recognize and declare that it is their mutual goal to maintain a harmonious relationship in determining terms and conditions of employment. To this end they mutually enter into this Agreement which sets forth the employment relationship between the University and the staff members subject to this Agreement under applicable State and Federal law.

ARTICLE 1. AGREEMENT SCOPE

This Agreement covers all non-supervisory, full and part-time professional staff members of the University who have satisfactorily completed their initial probationary period (referred to herein as "staff member") as specified by the Public Employment Relations Commission Certification, Docket No. RO-92-115, dated February 7, 1992 and as amended by the supplementary Agreement between the University and the Union, dated July 14, 1992. Excluded are those job titles set forth in said certificate as not being represented by the Union herein.

ARTICLE 2. UNION STATUS

2.01 Recognition:

The University recognizes the Union as the exclusive collective bargaining representative of every staff member covered by this Agreement.

At the time a new staff member, subject to this Agreement is hired, the University will deliver to said staff member a mutually agreed upon written notice provided by the Union which includes a list of Union Representatives (which Representatives are defined as staff members under this Agreement who are authorized by the Union to represent it).

Directly after the completion of general orientation presentations, the University's Human Resources representative will introduce the HPAE representative designated by the Union who will distribute orientation packets to the new HPAE employees. At

that time, the representative designated by the Union, will speak to all new staff members, not to exceed fifteen (15) minutes.

The University shall, at the end of January and July of each year, provide the Union with a complete and alphabetized list of bargaining unit staff members. Such list shall include name, address, social security number, job title, department, campus, UMDNJ assigned e-mail address, employee status (F/T, P/T), date of hire and salary. This list shall be provided in excel format and electronically transmitted.

The University shall provide the Union with a list of all new staff members hired each month, including the staff member's name, address, social security number, date of hire, employee status, job title, department, campus, and UMDNJ assigned e-mail address. Such list shall be provided to the Union no later than forty (40) days after the last day of the previous month. This list shall be provided in excel format and electronically transmitted.

2.02 Union Dues:

The University agrees to deduct from the regular paycheck of staff members included in the bargaining unit, dues for the Union, provided that the staff member authorizes such deduction in writing in proper form to the local Human Resources Office.

The University shall make Union dues deductions from a new staff member in the pay period next following the ninety (90) days after the staff member's date of hire.

Union dues deductions from any staff member in the bargaining unit shall be limited to the Union, the duly certified majority representative.

For the purpose of calculating dues deductions, reimbursement for tuition and continuing education shall not be included as part of the gross salary of staff members.

The University will make every effort to immediately cease deduction of HPAE dues when a staff member transfers out of the bargaining unit.

2.03 Transmission of Dues:

Dues or agency fees and initiation fees so deducted by the University shall, within ten (10) days of the date of deduction, be transmitted to the designated officer of the Union together with a list of employees included, social security numbers, the amount deducted, hours worked, amount of HPAE dues, amount of AFT dues, COPE deductions, termination date, and the gross pay. Once dues are transmitted to the Union, their disposition shall be the sole and exclusive responsibility of the Union. The Secretary of the Union shall certify to the University the amount of Union dues and shall notify the University of any changes in dues structure forty-five (45) days in advance of the requested date of such change. By July 1, 2007, this information shall be available on-line for access by designated union officers. On-line access will allow for information to be downloaded in Excel format.

2.04 Agency Fee:

All eligible nonmember staff in the unit will be required to pay to the Union a representation fee in lieu of dues for services rendered by the Union. Nothing herein shall be deemed to require any staff member to become a member of the Union.

For the purpose of calculating representation fee deductions, reimbursement for tuition and continuing education shall not be included as part of the gross salary of staff members.

Prior to the effective date of this Agreement and prior to each succeeding contract year, the Union will notify the University, in writing, of the amount of regular membership dues, initiation fees and assessments charged by the Union to its own members for that contract year. Any changes in the representation fee structure during the contract year shall be in accordance with the procedure set out in Section 2.03 above. In no event shall the representation fee exceed eighty-five (85%) percent of the payments of regular members.

After verification by the University that a staff member must pay the representation fee, the University will deduct the fee for all eligible staff in accordance with this Section. The mechanics of the deduction of representation fees and the transmission of such fees to the Union will be the same as those used for the deduction and transmission of regular membership dues to the Union.

The University shall deduct the representation fee as soon as possible after the tenth day following reentry into the unit for staff members who previously served in a position identified as excluded, for individuals recalled from layoff, for staff members returning from leave without pay, and for previous staff members who become eligible for the representation fee because of nonmember status.

The University shall deduct the representation fee from a new staff member in the pay period following the ninety (90) days after the staff member's date of hire.

The representation fee in lieu of dues shall only be available to the Union if the procedures set out hereafter are maintained by the Union. The burden of proof under this system is solely on the Union.

The Union shall return any part of the representation fee paid by the staff member which represents the staff member's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The staff member shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee.

This review shall be accorded in conformance with the internal steps and procedures established by the Union.

The Union shall submit a copy of the Union review system to the University's Labor/Employee Relations section of the Office of Human Resources. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system. If the staff member is dissatisfied with the Union's decision, he/she may appeal to the three (3) member board established by the Governor.

The Union hereby agrees that it will indemnify and hold the University harmless from any claims, actions or proceedings brought by any staff member in the bargaining unit which arises from deductions made by the University in accordance with this provision. The University shall not be liable to the Union for any retroactive or past due representation fee for a staff member who was identified by the University as excluded or confidential or in good faith was mistakenly or inadvertently omitted from the deduction of the representation fee.

It is understood that the implementation of the agency fee program is predicated on the demonstration by the Union that more than fifty (50%) percent of the eligible staff members in the bargaining unit are dues paying members of the Union.

If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period twenty-six (26) of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1 or October 1, the agency fee plan shall be reinstated, with proper notice from the Union to affected staff members.

In each year of the Agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

Provisions in this clause are further conditioned upon other requirements set by statute.

The University will make every effort to immediately cease deduction of HPAE dues when a staff member transfers out of the bargaining unit.

2.05 Union Representatives, Rights and Limitations:

The Union shall furnish the Director of Labor Relations in the Office of Human Resources or other designee of the University a list of all official Union representatives, specifying their authority and showing the name, title or office for each and the departments and shifts for which they function. The Union shall notify the University of any changes in the list within fifteen (15) working days of any change.

The University will furnish the occupational title of every University staff member such as the Vice President and Chief Executive Officer of the hospital, Department Heads or subordinate level department supervisors or Human Resources representatives who have the authority from the University to be considered either the immediate supervisor of any bargaining unit staff member for oral or written complaint, or written grievance purposes, or who are otherwise empowered by the University to interpret or apply the terms and provisions of the Agreement on behalf of the University.

Both parties agree to recognize and deal with only properly authorized and empowered University or Union representatives who are officially made responsible by the parties' written compliance with the Section.

It is agreed that the Union will appoint or elect up to Fifty (50) representatives and up to eight (8) officers who will be recognized by the University in their defined authority to act for the Union. The Union agrees that no more than nine (9) representatives will be authorized to represent the University Behavioral HealthCare (UBHC), with no more than two (2) such representatives at any UBHC building site.

The names of these representatives and officers will be provided to the Director of Labor Relations and the Director of Human Resources Services and updated within thirty (30) days of any change.

The University agrees that during working hours, on its premises and without loss of base pay, or when otherwise agreed upon, Union representatives previously designated and authorized to represent the Union and recognized by the University shall be allowed to:

- a) Represent staff members in the department/work unit.
- b) Investigate a grievance, provided such investigation time will be limited to a maximum of one (1) hour and further provided there is no interruption of work activities. In emergency situations, these time limitations may be extended if approved by the Office of Human Resources or the supervisor on duty should the Office of Human Resources be closed.
- c) Post Union notices.
- d) Attend negotiating meetings (the number of representatives to be agreed upon between the Union and the University) if designated as a member of the negotiating team and scheduled to attend by the Union.
- e) Attend scheduled meetings with the University.

- f) Attend/conduct membership meetings limited to a maximum of one hour. Any meetings conducted by the Union must be done during lunch or break time. The union representative conducting the meeting will be granted additional time not to exceed 1 hour for travel time.

The authorized Union representative shall provide reasonable notification to his/her supervisor whenever he/she requests permission to transact such Union business. Permission will not be unreasonably withheld. It is understood that the supervisor has the right to seek rescheduling of appointments when the work situation warrants this.

2.06 Union Bulletin Boards and Mail:

The University will provide space on centrally located bulletin boards at the University Hospital and New Jersey Medical School in Newark; at Robert Wood Johnson Medical School and UBHC in Piscataway; at the Clinical Academic Building in New Brunswick; at Liberty Plaza in New Brunswick (where permitted by the building management) and in the Wellness Center in Stratford, for the exclusive use of the Union. Further, the University recognizes the right of the Union to post notices on bulletin boards in employee lounges where they exist. The union agrees to share the use of the bulletin board at Robert Wood Johnson Medical School with another union representing University staff members, provided that at least one panel of the bulletin board is available for use by HPAE Local 5094.

As a matter of courtesy, the Union shall provide the University's Director of Labor Relations and the Director of Human Resources Services with a copy of all postings. The University shall have the right to remove material from the bulletin boards which is profane, obscene, defamatory of the State or the University and its representatives or which constitutes election campaign material.

When the Union has mail to be delivered to its officers or representatives, the University's interoffice mail system will be made available, provided that priority is retained for the business of the University. The HPAE staff and representatives shall have the right to e-mail HPAE members who have UMDNJ e-mail accounts. UMDNJ e-mail use shall be consistent with University policy.

Any mail incorrectly addressed to the Union at the University shall be forwarded with reasonable care to the Union at the address set out in the Preamble to this Agreement.

Union officers and representatives shall be allowed to use fax machines within the University to send grievance reports to the Labor Relations office and the Union office in Emerson, NJ, provided that the primary use of the fax machine is for the business use of the department.

2.07 Union Business:

The University agrees to provide leave of absence at the base rate of pay equal to the length of the staff member's regular work shift for officers of the Union to attend Union activities.

The Union shall have the right to designate any Union officer (Co-Presidents, Secretaries, Treasurer and Grievance Chairpersons) for such leaves of absence. A total of twenty-five (25) days of such leave in the aggregate may be used each year of this Agreement.

This leave is to be used exclusively for participation in regularly scheduled meetings or conventions of labor organizations with which the Union is affiliated or for training programs for Union representatives and Union Officers and for which appropriate approval by the University is required. Written notice from the Union (including a Local Co-President), of the authorization of an individual to utilize such leave time shall be given to the staff member's supervisor with a copy to the Office of Labor Relations at least fourteen (14) days in advance of the date of such meeting except in an emergency, when less notice may be given. Granting of such leave to a staff member shall not be unreasonably denied by the University.

In addition, the University agrees to provide leave of absence without pay for officers or representatives of the Union to attend Union activities. A total of twenty-five (25) days in the aggregate of such leave of absence without pay may be used in each year of this Agreement. Granting of such leave shall not be unreasonably denied by the University. This additional leave of absence without pay is to be used with the same conditions and restrictions as leave for Union business with pay provided in this section.

2.08 Information and Data:

A full list of professional job titles and their respective salary ranges shall be appended to the collective bargaining agreement. This list is complete as of the date of ratification of this contract.

The University shall continue to provide the Union with revisions of University and Human Resources policies in a timely manner. The Union will be placed on an Email list to receive all notices of changes in University policies and the changes in the Human Resources policies.

The University shall provide the Union on a quarterly basis with a list of all HPAAE members who have terminated or resigned their employment (with a designation for each) with the University.

All information the University is required to provide will be provided in Microsoft Excel format.

ARTICLE 3. PROFESSIONAL PRACTITIONER STATUS

3.01 Appointment to Position:

Appointment to a position shall be in writing with the date of hire, salary and any differential stated. A job description for the specific position occupied by the newly appointed staff member will be distributed to him/her prior to or at orientation. Further, at the time of hire or a change in position, each bargaining unit member will be informed in writing of his/her current normal work week and days, current travel requirements, current shift differential, and current on-call requirements.

Other job descriptions defining all positions under this Agreement will be made available for review by an authorized Union representative upon request.

Staff members holding positions which are grant funded shall be notified in a timely manner if the status of the grant has changed and such change will impact upon the staff member's term of employment.

3.02 Work Outside of Job Classification:

Staff members shall be assigned work appropriate to their job classification. The parties agree that staff will not be assigned work substantially outside of their job classification on an ongoing basis, as per the 3rd paragraph below.

Claims of work outside their job classification as identified by the Union are to be submitted to Compensation Services with copies sent to the Director of Human Resource Services and the staff member's department head. The claims will be investigated and Compensation Services will provide a written decision within 120 calendar days from the date the claim was submitted. Such response shall include the substantive reason(s) for the determination.

If a staff member has performed work substantially outside of his/her job classification for a period of three consecutive weeks, or 25 or more work days in any 12 month period, the staff member will receive pay at the rate of the higher job classification for the period during which substantially higher level duties were assigned.

If the claim is substantiated to be in violation of this provision of the Agreement, corrective action will be instituted and, if warranted, additional compensation will be provided retroactive to the date the claim was received by Compensation Services. Should the claim be denied, the Union and the staff member may request to meet with Compensation Services to discuss the decision. Reclassification may include a temporary appointment to an acting status, not to exceed one year. The decision of Compensation Services will be final, binding and implemented the next pay cycle.

3.03 Promotions and Transfers:

Professional staff are eligible for a promotion which occurs when there is a vacancy at a higher level for which they are qualified. The announcement of the position vacancy

will include a description of the position, a detailed outline of expected educational and professional requirements and the salary range for the position.

Staff members may bid online on any open position for which they qualify provided those positions are not being reserved for staff members affected by a layoff or intradepartmental postings.

All regular vacant bargaining unit positions will be posted on the UMDNJ website. The announcement of the position vacancy will be posted daily online. Interested internal candidates are to apply online. Computer Kiosks for the purpose of accessing job vacancies will be available at each Human Resources Office.

Beginning thirty (30) days after ratification of this agreement, each internal applicant within a department who applies during the first five (5) days of posting for a higher classification within the same department, as identified on the position posting, shall be interviewed.

Each internal candidate will be notified in writing of the decision with respect to his or her candidacy on a timely basis. This decision will indicate: 1.) that the applicant has been offered the position, or 2.) that the applicant has not been offered the position, including a reason for such decision.

The University agrees that seniority and all other relevant criteria will be taken into consideration in the selection of internal applicants for a position. Any dispute regarding this paragraph shall be grievable to Step Two of the grievance procedure with the decision at Step Two being final and binding.

Staff members who wish to transfer within the same Department in the same title must submit a request on the University's web-based tracking system. Within five (5) business days of the posting, they must notify in writing and/or e-mail of the transfer request to the immediate supervisor and appropriate HR Generalist of the vacant position. The University agrees that seniority and all other relevant criteria will be taken into consideration in the selection of internal candidates. Should the staff member be denied the transfer, said denial may be appealed to the Director of Human Resource Services who will consult with the Director of Labor Relations or designee, prior to rendering a decision within five (5) days of the denial. The Director of Human Resource Services shall render a decision on the appeal prior to any job offer being made to another candidate.

Transfer in status or classification shall not delay the use of entitled benefits.

At the time of promotion, a staff member shall be provided the opportunity to negotiate his/her salary increase and shall receive written notice of final salary offer. Acceptance of the position constitutes acceptance of the salary, and the amount of the promoted staff member's salary shall not be subject to the grievance procedure. This provision shall not result in any promoted staff member being placed off guide.

Voluntarily transferred and promoted staff members shall serve a ninety (90) calendar day probationary period, subject to a ninety (90) calendar day extension. Reclassifications and Involuntary transfers within a Department do not serve a probationary period. Such staff member shall retain all benefits and rights pertaining to bargaining unit members, including access to the grievance procedure, except for the decision concerning the outcome and disposition of their probation period.

At any time prior to the end of probation, the staff member may return to his/her former position, provided that it is still available. If an employee opts to return to his or her former position, the employee may not bid on another position for six months. Should the staff member fail probation, the University shall return the staff member to his/her former position if it is still available.

Should the staff member's position not be available, the employee may be offered a vacant position to the classification of the former title held by the employee before the promotion, if one exists on the campus. If the vacant position is in a different department, the employee must serve a 90 calendar day probation period. If not, the employee will be placed on the recall list for one year.

3.04 Reassignment:

Reassignment is the movement of a staff member from one job assignment to another within such staff member's job classification and within his/her department. Such reassignment may be to another geographic location.

When a staff member is reassigned within his/her job classification, such staff member's salary shall not be reduced below that which s/he would have received had the staff member continued in his/her original position.

When a reassignment is deemed necessary the Department shall notify the employee in writing, the reason and status (permanent or temporary) for the reassignment. If operationally feasible, the University may ask for volunteers first. The employee shall receive 2 weeks notice of a reassignment, except in case of an emergency.

3.05 Evaluations:

The annual staff performance evaluations will be done on a prompt and timely basis. Staff members shall have the option to provide a self-evaluation or written comments to their supervisor in anticipation of their annual performance evaluation. Any staff member electing this option must provide the self-evaluation or written comments no later than three (3) days prior to the annual staff performance evaluation. At the time of the evaluation, the staff member will be provided a copy of his/her job description. The staff member being evaluated will be provided a copy of his/her performance evaluation and will have five (5) calendar days to review the evaluation. By the conclusion of the time period, the staff member may add his/her comments to the performance evaluation and shall sign the performance evaluation. Comments added by the staff member shall be attached to the evaluation and included in the staff member's Personnel file in Human Resources.

If comments are not made within this period, or the staff member does not sign within this period, the right to comment will be forfeited, the supervisor will note the refusal to sign and forward the evaluation to Human Resources for inclusion in the Personnel file.

Prior to evaluating a staff member "1" or "2", the staff member's supervisor must notify the staff member that his/her performance is deficient and that their merit increment may be delayed or denied (in any fiscal year in which merit increments are given). Such notification shall be made through a written memorandum, documented oral warning, and/or written warning regarding performance issues in a timely manner after such deficiencies are observed. Such notification shall contain a description of the performance deficiencies and the corrective actions needed to remedy the performance deficiencies.

In the event such notification is not provided, and a merit increment is delayed or denied, the staff member shall receive a merit increment. In addition, the Campus Labor Relations Coordinator shall advise the issuing Supervisor that the employee must be properly informed of his/her performance deficiencies and given a three (3) month assessment period for a re-evaluation. Should the re-evaluation result in a satisfactory rating, the previous evaluation shall be void and expunged from the employee's personnel file. Should the re-evaluation continue to reflect a "1" or "2", the prior evaluation shall be maintained in the personnel file and appended to the re-evaluation. During this assessment period, the supervisor shall meet with the staff member to review his/her performance and the status of the corrective action plan.

Upon the mutual consent of the staff member and his/her supervisor, the staff member, his/her supervisor, and a Union representative shall meet to discuss performance issues. Such a meeting shall not be considered part of the grievance procedure. Further, the performance rating of the staff member is not subject to the grievance procedure.

ARTICLE 4. EMPLOYEE STATUS

4.01 Classification:

A staff member will be classified as either (a) full time or (b) part time.

4.02 Regular Full Time Staff Member:

A staff member who is hired to fill a position for an undetermined period of time. Regular full-time non-exempt staff will work thirty-five (35), thirty-seven and one-half (37½) or forty (40) hours each week, as determined by the position.

Regular full-time exempt staff will work their regularly scheduled work hours and are expected to work the necessary hours to complete their work assignments.

Regular full-time staff shall be eligible for all benefits pertaining to full-time status.

4.03 Regular Part Time Staff Member:

A staff member who is hired to fill a position for an undetermined period of time. Regular part-time non-exempt staff will work twenty (20) hours or more per week but less than the Full Time equivalent for the position. A part-time staff member shall be eligible for pro-rated benefits. In addition, part-time staff shall be eligible for health insurance, as per current University policy, subject to continued approval of the State Health Benefits Commission.

4.04 Regular Versus Temporary Employment:

When a staff member is hired or transfers into a position, such staff member shall be advised as to his/her status as either a regular or temporary staff member. Such examination shall not require a loss of paid time. If requested by the staff member, a Union representative may accompany the staff member.

A staff member shall be allowed to place in such file a response of reasonable length to anything contained therein. The University will honor a request made by a staff member for a copy of any derogatory item, the staff member's Employment application, resume, performance evaluations or any correspondence addressed to the staff member contained in the central Personnel file.

A staff member may request the expungement of materials included in the file where there are pertinent and substantive inaccuracies, for reasons of time duration, relevance or fairness. 1. Bumping and Vacancies

Bumps shall be only as per the procedure below. Staff members shall be able to exercise bumping rights provided that they meet the requirements for the position.

A staff member who chooses to fill a vacancy or to bump another staff member, and is subsequently informed by the campus Human Resources department that the salary of the vacant or bump position is more than ten percent (10%) below his or her current salary, shall be allowed to reconsider their decision and to go on to the recall list. In situations where a higher paid staff member bumps an employee earning a lower salary, departments are encouraged to attempt to match the bumping staff member's current salary, but in no event may the salary offered be less than the salary of the staff member being bumped. In situations where a staff member is placed in a vacancy pursuant to "a", "b" or "c" below, departments are encouraged to attempt to match the staff member's current salary, but in no event may the salary offered be less than the amount budgeted for the offered position if such would represent a salary reduction for the staff member.

Within their respective departments/work units, regular staff members shall not be laid off before temporary or probationary staff members in the same job classification.

Staff members who have received layoff notices will be offered vacant positions as described in 4.07 a, b, and c, below prior to such vacancies being offered to staff members on the recall list.

- b. Second, if a vacancy pursuant to "a" above is not available, the employee will be offered a vacancy in his/her current title on the campus. If the employee chooses not to accept the vacancy offered, the employee may opt to be placed on the recall list. No probationary period.
- c. Third, if a vacancy pursuant to "a" or "b" above is not available, the employee will be offered the opportunity to fill a vacancy in the employee's current title first_or immediate prior title University-wide. - d. Fourth, if the employee is not placed in a vacancy pursuant to "a", "b" or "c" above, the employee may bump the least senior employee in his/her current title within the operating unit and campus. If an employee opts not to exercise his/her bumping rights under this section, the employee may opt to be placed on the recall list. If the employee is unable to bump under this section, the employee may exercise rights under "e" below. Probation if an employee has less than 10 years seniority.
- e. Fifth, if the opportunity to bump is not available pursuant to "d" above, the employee may bump the least senior employee in his/her current title campus-wide. f. Sixth, if the employee is not offered the opportunity to bump pursuant to “e” above, the employee may bump the least senior employee in his/her immediate prior title campus-wide. If the employee opts not to exercise his/her bumping rights under this section, the employee may opt to be placed on the recall list. Probation if an employee has less than 10 years seniority.

g. Employees who exercise rights under provisions “a” through “c” above will not be required to serve a probationary period. Employees with ten (10) years of University experience and who exercise rights under provisions “d” through “f” above will not be required to serve a probationary period.

Vacancies shall be filled first before bumping. A list of vacancies shall be available for review in the campus Human Resources office.

Part-time staff members may not bump full-time staff members, however, they may bump other part-time staff at equivalent or less hours. Full-time staff may, however, bump part-time staff. Time off benefits for full-time staff bumping into a part-time position will be prorated. Prior to regular staff being placed on the recall list, regular staff may be placed in a vacant temporary position. A staff member placed into a temporary position will continue to be benefits eligible. Regular staff who are placed into a vacancy which is a temporary position may bid on any vacant positions. When the temporary position has ended, the regular staff member will be placed on the recall list for a full year based upon their former title.

A staff member who is placed in a vacancy or bumps into a position other than a temporary position may not bid on a vacant position for a period of six (6) months.

2. Special Categories of Employees

All regular full or part-time staff members shall be covered by the layoff policy regardless of salary range, consistent with the following provisions:

If a staff member in a research position cannot bump into a position in his/her department, he/she can bump into the immediate prior title (non-research) on the Campus or be placed in the immediate prior held title (research) provided there is a vacant position and the staff member is qualified for such position.

The parties agree that the subject matter of any appeal to arbitration concerning the Vice President's decision on bumping rights shall be limited to whether the criteria as to which positions shall be exempt from bumping were applied. Should an arbitrator find that the criteria were not applied by the Vice President, then his/her sole remedy shall be to refer the matter back to the Vice President for reconsideration.

3. Notice of Layoff and Information to the Union

The University will provide a minimum of twenty one (21) calendar days notice of layoff to any regular staff member affected.

Upon receiving a written notice of layoff with rights, the staff member will reply in writing to Department of Human Resources within three (3) calendar days, the last of which must be a business day, indicating whether the member chooses to exercise such rights or elects to be placed on the recall list. If the Department of Human Resources does not receive a response from the staff member within two (2) days, the last of which must be a business day, of his/her being notified of the department within which the employee is being placed or bumping into, then the staff member will be placed on the recall list.

The University shall continue the practice of providing the Union with a copy of each layoff notice sent to staff members. Such notice shall be provided, by mail, fax or email, within twenty-four (24) hours of the staff member's receipt of the layoff notice. In the event that five or more staff members are laid off within a pay period on a campus, the University shall, upon notification to the Union of the names and job titles of the staff members affected by the layoff, provide the Union with a full up to date seniority list in Excel format.

4. Recall Rights

Effective 7/1/07, laid off staff members, in the order of University seniority, have first recall rights beginning with the title and job requirements of the position from which they are laid off, to positions with comparable or lower requirements within the same classification series.

A staff member who has been laid off with rights under this provision will be subsequently notified if a position in his/her former title for which h/she is qualified is now available for re-employment.

All laid off staff who have been employed for at least a year shall retain their rights of recall for one (1) year from the date of layoff. Should a laid off staff member refuse a position when recalled, s/he shall be removed from the recall list. However, staff

members shall be allowed to refuse a position if the salary of the position is greater than or equal to ten percent (10%) less than the salary of their former position. Effective 7/1/07, if more than one (1) staff member in the same job title is laid off, University-wide seniority will be utilized to determine recall rights. Should an employee be recalled to a position on a campus other than the one they were laid off from, the employee has the option of refusing the position and continuing on the recall list (not to exceed one year from the layoff). If the employee accepts the position, s/he shall not have bidding rights for a period of one (1) year.

Upon recall, a staff member shall retain his/her original date of hire.

The annual rate will change in the month when the staff member reaches a service milestone if the staff member's anniversary date is before the 16th of the month and will change effective the following month if the staff member's anniversary date is the 16th of the month or after.

Vacation accruals are cumulative from one year to the next up to an amount equal to one (1) year of accruals. When unusual circumstances warrant an exception, amounts greater than one (1) year can be carried over with approval from a staff member's department head and the Campus Director of Human Resources.

7.06 Vacation Accruals:

<u>Length of Service</u>	<u>Accrual Rate Per Month</u>
0 - 10 yrs.	1 1/4 days

No part of a staff member's scheduled vacation may be charged to sick time except that if a staff member becomes hospitalized for any portion of that vacation and wishes to have the time hospitalized charged to sick time, he/she must notify his/her department head as soon as possible and request the use of accumulated sick time. Such notifications and requests may be made by telephone, email or letter, but if by phone, should be confirmed by email or letter. No sick time will be credited unless supporting medical evidence verifying the hospitalization is presented by the staff member upon return to work.

The University may restrict the amount of vacation time granted to a staff member during prime vacation periods to allow for equitable distribution of prime vacation time among staff members. The prime vacation periods will normally be June 1 through Labor Day, December 1 to January 15th.

A written response to the staff member's request will be provided by October 8th. For each vacation period, the staff member will submit three (3) choices of vacation time in order of priority. In situations in which choices of vacation time are timely and two (2) or more staff members request the same time period, University seniority will prevail.

Failure to submit a vacation request by February 15th will result in loss of seniority status as it relates to vacation requests for the upcoming year. Any vacation requests submitted after February 15th, including those of less than (1) week, will be treated on

a first come basis and not decided by seniority. A request must be submitted a minimum of thirty (30) days before the effective date of the vacation, unless waived by mutual agreement of the staff member and his/her department head/designee. A written response to the staff member's request will be provided within seven (7) calendar days of receipt.

With approval, vacation time may be taken as single or multiple days, single or multiple weeks.

A staff member who has applied for medical leave after the expiration of thirty four (34) weeks of paid sick time will be able to use any remaining sick time accruals to be paid during the medical leave of absence. The total amount of time that a staff member may be continuously out of work cannot exceed fifty two (52) weeks. However, staff members hired prior to January 1, 1983 shall be entitled to use all accrued paid sick time.

The University may, at its own cost and expense, have a physician of its choosing perform a physical examination of the staff member to ensure fitness and capability to return to work.

4. The University will provide safety devices for staff members when deemed appropriate by the University or as required by law. Affected employees shall receive appropriate in-service training on new safety equipment, devices, and materials.
5. The University shall, upon request, provide the Union with the results of all health and safety inspections of the facilities of the University. The University shall notify the Union of all such inspections where the inspections were initiated as a result of a Union/employee complaint and/or grievance. The University will also notify the Union in cases where on-going health and safety hazards which may effect the HPAE Union membership are discovered.
6. The University and HPAE agree to discuss problems concerning health and safety in the regularly scheduled Labor - Management meetings. The union will have the right to one (1) representative to the University's Labor Management Health and Safety Committee. The union will have the right to one (1) representative to the University Hospital Safety Committee. Any recommendations concerning improvement or modification of health and safety conditions shall be reported to the appropriate health and safety committee.
7. In the interest of maximizing safety and staff well-being, the UMDNJ and the HPAE agree that the views and recommendations of the employees covered by this Agreement will be heard and considered in the decision-making process within the University. In furtherance of this goal, the University agrees that representatives of the HPAE shall be a part of Committees that are developed to discuss strategies

and identify solutions that would address issues concerning safe patient handling, ergonomics, violence prevention, needle safety, and protective equipment and clothing. The Union will have the right to one (1) representative on each of these Committees. Should more representatives be interested in participating in a Committee, such requests shall be made to the Chair of the Committee, and will not be unreasonably denied.

ARTICLE 12. EMPLOYEE FACILITIES:

12.01 Parking:

Beginning July 1, 1993 and for every fiscal year until a successor Agreement is concluded, the parking fee for all bargaining unit members will be equal to .5% of the base salary as of the last pay period of the previous fiscal year. Parking fee reimbursements shall be paid in pre-tax dollars.

ARTICLE 13. NO STRIKE/NO LOCKOUT:

The Union and the staff agree to refrain from any strike, work stoppage, slowdown, concerted refusal to work overtime, or concerted sick call, and will not support or condone any such job action, nor prevent or attempt to prevent the access of any person to the University's facilities during the term of this Agreement.

The University agrees that there shall be no lockouts during the term of this Agreement.

ARTICLE 14. DISCIPLINE:

14.01 Definition:

Discipline shall mean official written warning, suspension without pay, disciplinary demotion or discharge from employment at the University. Dismissal from employment or demotion based upon a layoff or operational changes made by the University shall not be construed to be discipline. A counseling, although in writing, is not to be punitive or considered discipline and shall not be placed in the staff member's central personnel file. Counseling notice is part of the performance improvement process and is an opportunity for management to constructively discuss with a staff member observations made about performance or behavior that is impacting productivity or office morale. Upon the mutual consent of the staff member and his/her supervisor, a union representative may be present.

The University shall have the right to discipline staff members for just cause. Just cause for discipline including discharge from employment shall include those causes set forth in the University Rules and Regulations. This list of causes is not exclusive and discipline up to and including discharge from employment may be made for any

other combination of circumstances amounting to just cause. The University reserves the right to substitute a written warning in lieu of a suspension without pay and such substituted warning shall substitute for suspension in the University's scheme of progressive discipline. A written warning in lieu of a suspension of three (3) or more days shall be arbitrable.

Suspensions without pay of three (3) or more days, written warnings in lieu of a suspension of three (3) or more days, disciplinary demotions or discharge from employment shall be subject to arbitration as specified in the grievance procedure set forth in Article 14.02, except that discipline imposed for time-and attendance violations shall not be arbitrable. However, in the event a non-exempt staff member receives a suspension without pay for two (2) days or less, such discipline shall not be arbitrable. No other disciplinary actions shall be subject to arbitration.

The University will notify the Union and the Local Union's Co-President in writing of any suspensions or discharges within seventy-two (72) hours of the action not including weekends. Failure by the University to properly notify the Union will not void any disciplinary action, but the time limit for filing a grievance will not commence until the date the Union or staff member was notified of the action in writing.

With respect to non-exempt staff, the University may, in lieu of suspension for a fixed number of days, and upon mutual consent of the union and the staff member, deduct up to five (5) days from vacation balances. The disciplinary penalty will be equivalent to the same number of days of suspension and treated for all purposes as equivalent to a suspension. The use of vacation days by the employee shall not prejudice, in any manner, either the employee's grievance, should one be filed, or an arbitrator's award, should the employee's grievance be upheld.

The University shall make every effort to ensure that a staff member shall receive a written notice of a discipline on a form expressly provided for that purpose by the Human Resources department. If such a form is not used, a staff member shall receive a written notice of discipline that shall explicitly state the level of discipline, the date(s) of events relevant to the discipline, and the actions (or lack of actions) causing the discipline. In addition, there shall be a place on the notice for the staff member and the Union Rep to sign that they have received the notice of discipline, and it shall be clearly stated that the staff member's signature does not imply agreement. A staff member shall be informed of his/her right to have a Union Representative present at a disciplinary conference or a conference that may lead to discipline.

14.02 Grievance Procedure:

A. Definition

1. A breach, misinterpretation or improper application of the terms of this Agreement; or
2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy or orders of the University affecting the terms and conditions of employment.

B. Purpose

The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of this Agreement or other conditions of employment by providing an exclusive vehicle for the settlement of staff member grievances and to facilitate the uninterrupted operations of the University.

C. General Provision

No grievance settlement reached under the terms of this Agreement shall add to, subtract from, or modify any terms of this Agreement.

Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. When a grievant has Union representation, the Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

The terms of this Article shall not apply to probationary staff members, except with respect to payroll matters concerning salary and/or benefits. This exclusion shall not apply to regular staff members serving a probationary period due to a change in job title which is included in the negotiating unit, except that under no circumstances will the University's judgment as to the adequacy of the staff member's performance and/or attendance in a probationary period or any action taken in pursuance thereof be deemed to be discipline or subject to grievance.

All time limits are of the essence and may be extended only by mutual agreement between authorized representatives of the University and the Union. Grievances not raised and processed in strict and absolute accordance with the grievance procedures and time limits will be waived by the Union and staff member and will not be considered.

The lack of response by the University within the prescribed time, unless time limits have been extended by written mutual agreement, shall be construed as a negative response.

A grievance which affects a substantial number or class of staff members, or in the case of suspension or discharge, or which the University representative at Step I

lacks the authority to settle, shall be presented at Step II of the grievance procedure. A grievance in the case of suspension or discharge must be presented at Step II within twenty-one (21) calendar days of the receipt of the disciplinary notice, excluding holidays. All disciplinary grievances must be signed by the individual grievant. An e-mail received from the grievant shall suffice for the signature of the individual grievant. Requests for an extension of the time limit for the grievant to sign a disciplinary grievance shall not be unreasonably denied in the event of physical incapacity.

D. Preliminary Informal Procedure

A staff member may orally present and discuss a grievance with his/her immediate supervisor. At the staff member's option, he/she may request the presence of a Union representative. If the staff member exercises this option, the supervisor may determine that such grievance be moved to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is mutually agreed upon in writing.

If an informal discussion does not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

E. Formal Steps

Step One:

The grievance shall be reduced to writing and submitted to the department head within fourteen (14) calendar days, excluding holidays, from the date upon which the staff member first gained or should reasonably have gained knowledge of the alleged violation of the Agreement or policy took place. The grievance shall be signed by the grievant and/or Union representative, and shall set forth the nature of the dispute, the relief sought and the specific provisions of the Agreement/policy alleged to have been violated.

The department head shall answer the grievance in writing within seven (7) calendar days, excluding holidays, after its receipt.

In the event that the department head agrees to meet with the staff member(s) and the Union representative within seven (7) calendar days of the filing of the grievance, the department head shall have seven (7) calendar days after the meeting to respond in writing to the grievance.

Step Two:

The grievance may be appealed by written notice to the Vice President for Human Resources of the University or his/her representative within seven (7) calendar days, excluding holidays, after the Step One decision was rendered or due.

The Vice President for Human Resources or his/her representative will convene a hearing within twenty-one (21) calendar days, excluding weekends and holidays, after

receipt of the grievance unless extended by mutual agreement. The staff member may be represented at such hearing by the Union representative, Local Union Chairperson or designee. The Vice President for Human Resources or his representative will render a decision within twenty-one (21) calendar days from the date of the conclusion of the hearing.

Discipline that is grieved in accordance with Step One of the Grievance procedure shall be stayed until resolved through Step Two. Such grieved discipline may not be referred to or relied upon in any evaluation, promotional decision or subsequent disciplinary charge, other than termination, until the grieved discipline has been resolved through Step Two. Grieved discipline shall be considered resolved through Step Two after the Vice President of Human Resources or his/her representative has held a hearing and rendered a decision in accordance with that step of the grievance procedure or, for discipline subject to arbitration, the time for the hearing or decision has passed.

This provision shall not apply to :

- 1) disciplinary demotion or discharge; and
- 2) discipline for conduct, which in the University's discretion, demonstrates a threat to property or the health and safety of the grievant, University staff or the public.

In the event that a staff member serves any portion of a suspension prior to filing a grievance concerning that suspension, only the balance of the suspension will be stayed and there shall be no entitlement to reimbursement or reinstatement for the days served unless and until the grievance is sustained.

Step Three, Arbitration:

In the event the grievance has not been satisfactorily resolved in Step Two, and the grievance involved an alleged violation of the Agreement as described in the definition of a grievance in A (1) above or in the case of discipline involves the following implemented disciplinary actions:

1. Suspension without pay of three (3) days or more, excluding suspensions imposed for time-and attendance violations.
2. Written warnings in lieu of suspension of three (3) or more days, excluding written warnings in lieu of suspension imposed for time-and attendance violations
3. Involuntary Demotion
4. Discharge

then a request for arbitration may be brought only by the Union within sixty (60) calendar days from the date the Union received the Step Two decision.

The request for arbitration shall be submitted in writing to the Public Employment Relations Commission, with a copy sent to the Director of Labor Relations.

Arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission. A transcript of all arbitration hearings may be taken. All expenses of arbitration shall be borne by the University and Union equally, except that the cost of preparing and presenting each party's case or charge for a late cancellation shall be borne by each respective party.

The arbitrator selected shall be requested to hold the arbitration within one hundred and twenty (120) calendar days from the date selected and render his/her decision within thirty (30) calendar days after the close of the hearing unless such time is extended by mutual consent of the parties in writing.

The arbitrator shall have the right to subpoena relevant documents and witnesses if requested by either party.

The function of the neutral arbitrator shall be of a judicial rather than a legislative nature. The arbitrator shall give effect to the plain meaning of the Agreement language and shall not interpret such language unless the meaning of the language is unclear and ambiguous. When an arbitrator is called upon to interpret language in this Agreement, he/she shall render a decision which is consistent with the plain meaning of the Agreement's language, consistent with the common law of contract interpretation and with general considerations reserved to management by the Public Employee Relations Act and case interpretation of that Act.

The arbitrator shall not have the power to add to, subtract from or otherwise amend this Agreement nor shall he/she have the authority to prescribe a monetary award as a penalty for a violation of this Agreement.

Should the arbitrator reinstate a staff member with back pay, the staff member may be paid for the hours he/she would have worked in his/her normally scheduled work week, at his/her base rate of pay less any deductions required by law or other off-setting income for the back pay period specified by the arbitrator.

The decision of the arbitrator shall be final and binding upon the University, the Union and staff member, unless either party seeks a review in an appropriate court proceeding. In the event either party seeks a review, such procedure shall operate as a stay of the arbitrator's award until the judicial review is concluded.

With respect to contract interpretation grievances, the scope of judicial review shall be limited to determining whether the arbitrator's award is within the limits of the authority of the arbitrator as set forth in this Article.

A neutral arbitrator may hear and decide only one grievance during one arbitration proceeding unless otherwise mutually agreed in writing by the parties. In the event that

either party asserts that the grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the neutral arbitrator selected in accordance with the provisions contained herein shall render a decision as to the waiver or bar of the issue prior to any hearing on the merits of the grievance, unless the parties mutually agree in writing otherwise. The parties agree that the issue of waiver or bar shall not be decided by the same arbitrator who decides the merits of the grievance, unless the parties mutually agree in writing otherwise. Both parties shall be given ample notice of the time and place of any hearing before the arbitrator and shall be afforded ample opportunity to present to the arbitrator evidence and contentions pertinent to the question or questions at issue, including the direct and cross-examination of all witnesses.

The arbitrator shall not substitute his/her judgment for the University where this Agreement has specified whose judgment will be used or the matter involved has been reserved to the University by law or this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipt of the arbitrator's award, unless a party wishes to challenge the award.

If the arbitrator's decision is not challenged within thirty (30) calendar days, the decision shall be final and binding. If challenged, the appropriate party must initiate such legal proceedings as available within thirty (30) calendar days of receipt of such award from the arbitrator. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolutions by the courts.

The terms of any settlement agreed upon in a case that has been filed for arbitration shall be implemented as soon as practical, but in any event no later than forty five (45) days after the agreement is fully executed. The agreement may contain, if appropriate, either as a term of the agreement, or as an appendix, a statement(s) concerning the implementation of the terms of the agreement.

In order to expedite the grievance/arbitration process and to promote the settlement of grievances, the Union and the University agree on the following:

- 1) The University shall notify the Union of its intent to file a scope of negotiations petition no later than sixty (60) days after the University receives notice from PERC of the filing of the grievance. The scope petition shall be filed no later than thirty (30) days after the University sends the Union the notice of intent to file such a petition.
- 2) In the event that either party asserts that a grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the party asserting this claim shall provide to the arbitrator and the grieving party an explanation of such an assertion within ninety (90) days after the party asserting this claim receives notice from PERC of the filing of the grievance.

ARTICLE 15. NON-DISCRIMINATION

Neither the University nor the Union will discriminate against any staff member or applicant for employment, in any matter relating to employment because of race, color, creed, national origin, ancestry, nationality, sex, sexual orientation, marital status, age, or liability for service in the Armed Forces of the United States of America. Neither the University nor the Union will discriminate against any staff member because the staff member is or is not a member of the Union, or because the staff member has filed any complaints or grievances with the University or the Union.

ARTICLE 16. MANAGEMENT RIGHTS.

The University retains and may exercise all rights, powers, duties, authority and responsibilities confirmed upon and vested in it by the laws and constitution of the State of New Jersey and the United States of America.

ARTICLE 17. SUB-CONTRACTING SERVICES.

If the University contemplates contracting for work normally performed by staff covered by this Agreement and the result would be the displacement of those staff members, the University agrees that, at least four (4) weeks prior to the execution of such contract, it will meet with the Union for the discussion of the proposed contract. If such contract is executed, the University agrees to give displaced staff consideration concerning other positions at the University for which they are qualified.

If such subcontracting necessitates the layoff of personnel, affected staff shall be given at least thirty (30) calendar days notice prior to being laid off.

ARTICLE 18. SUCCESSORSHIP

The University shall notify the Union at least thirty (30) days in advance of any takeover, sale, assignment, transfer, merger, reorganization, consolidation or other change of ownership. The University agrees to provide the union with relevant information sought by the Union for the purpose of adequately representing the membership.

The campus committees shall meet at least bi-monthly, and more frequently, if mutually agreed to by both the University and the Union.

2. University-wide Labor/Management Committee

The University and the Union agree to the establishment of a University-wide Labor/Management Committee. This committee shall consist of ten (10) representatives selected by the Union and ten (10) representatives selected by the University. These committee meetings shall be scheduled in January of each year for the entire year.

The University-wide committee shall meet twice a year to discuss overall, system wide issues of mutual concern to the Union and the University. Administrators or designees from any of the Divisions or Schools of the University will attend these meetings as necessitated by the agenda, which must be submitted to the Director of Labor Relations fourteen (14) days prior to the meeting date.

The Labor-Management Committees shall function completely separate from and independent of all grievance procedures under this Agreement. These meetings shall not be considered negotiating sessions.

The University agrees to release from work, if necessary, the members of the Labor-Management Committees, at no loss of their base rate of pay for the purpose of attending Labor-Management Committee Meetings. The Union shall inform the University's Office of Human Resources of the members of these Committees fourteen (14) days prior to the first meeting.

Re: **Letter of Understanding
Discipline of Exempt Staff Members**

Dear Mr. Pripas:

It is hereby agreed and acknowledged by both the University and the Union that the University has changed its disciplinary policy with respect to exempt staff so that such staff shall not be suspended without pay for less than five (5) days except for infractions of safety rules of major significance relating to the prevention of serious danger to the University and other staff members.

Both parties further recognize that the Union's position on disciplinary policy toward exempt staff is that such staff should not receive a suspension except for an infraction of safety provisions of major significance and that, where the University would, with just cause, otherwise issue a suspension, such staff should be given a "Written Warning in Lieu of a Suspension."

The Union reserves its right to litigate any matter arising out of the University's revised disciplinary policy with respect to exempt staff members.

Please indicate your agreement by your signature below. The signature of the University acknowledges the Union's position, but does not indicate agreement to the position.

Re: Mediation Session

Dear Ms Twomey:

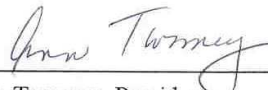

A staff member may file a claim with the University's AA/EEO Office if s/he believes that s/he has been discriminated against or subjected to harassment and/or a hostile work environment. If it is determined by AA/EEO that the employee is not being discriminated against or subjected to harassment and/or a hostile work environment or AA/EEO has not responded within 60 days, the Union on behalf of the employee may submit a request to the Office of Labor Relations to schedule a session with management to address the issues at hand. If, in the judgment of the Director of Labor Relations or his/her designee, the meeting would have a positive value, such may be scheduled utilizing either Labor Relations staff or other University resources to facilitate. If such a meeting is scheduled the employee may have a union representative present to provide support. The goal of such a meeting will be to address issues whose genesis may lie in communication difficulties or interpersonal conflict. Subsequent to such a meeting the union representative and the Director of Labor Relations should confer to assess the success or failure of the meeting and the desirability of additional intervention.
