

NSSP | NATIONAL
SUPPLEMENTAL
SCREENING
PROGRAM

Joint Outreach Task Group Information Session

Chicago

July 18, 2024

A health screening program for DOE former workers

(DOE Cooperative Agreement No. DE-FC01-05EH04022)

National Supplemental Screening Program

- The NSSP is one of the 5 DOE Former Worker Medical Screening Program (FWP) *projects*
- **We provide free medical screenings to DOE former workers who worked in the following job areas*:**
 - Production
 - Operations
 - Administration
 - Scientific/Laboratory
 - any non-construction trades work

***Exception: Argonne & Fermi former workers from any job area**

→ The NSSP is managed and administered by Oak Ridge Associated Universities (ORAU)

Call today: 1-866-812-6703

orau.org/nssp

National Supplemental Screening Program

- Medical screenings are available nationwide, usually within 75 miles of the participant's residence
- Program began screenings in 2005
- We have screened **21,382*** former workers from:
 - ✓ 81 different DOE sites,
 - ✓ all 50 U.S. states, and
 - ✓ aged 19 to 99.
- Participants are eligible for “rescreenings” every 3 years
→ **30,920*** exams performed to date, up to 5th rescreening

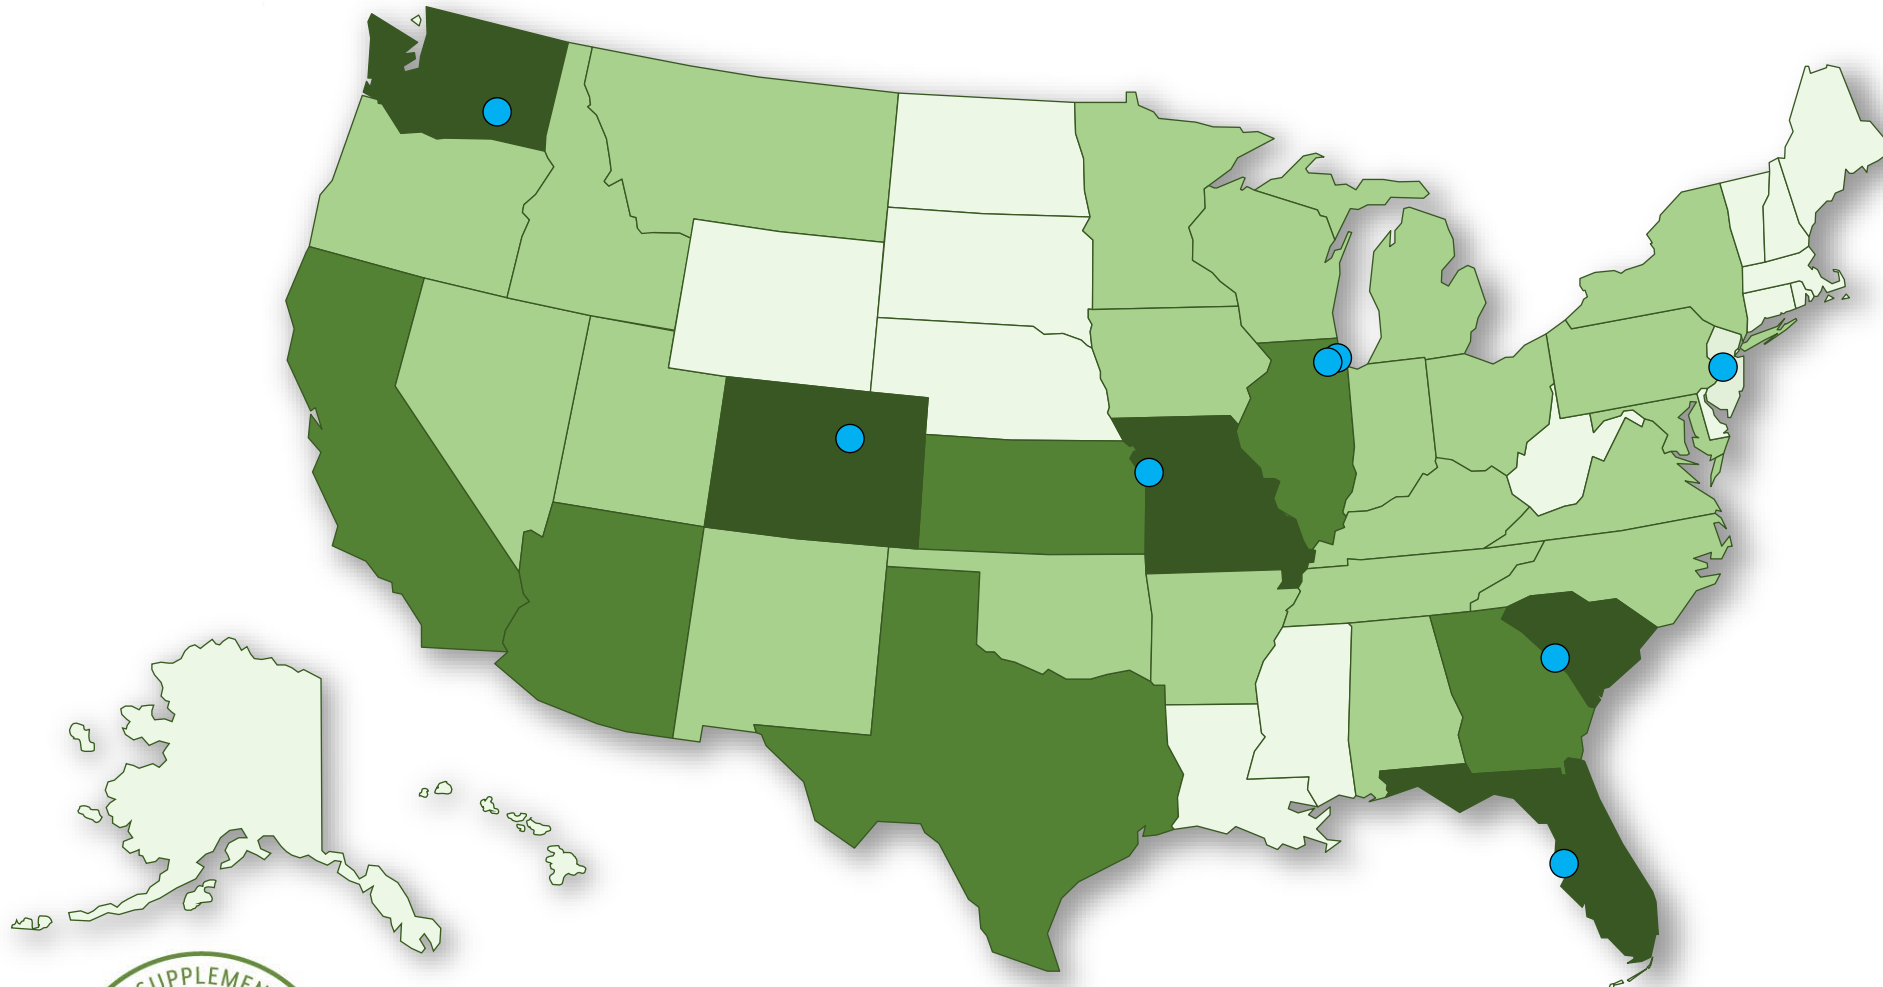

Call today: 1-866-812-6703

* Through 7/7/2024

Former Workers Screened by State in the NSSP

LEGEND	
Participants Screened	
	1,000 +
	500-999
	100-499
	≤ 100
	NSSP Primary Site

There are 8 “primary sites” assigned to the NSSP, including the Argonne and Fermi National Labs

Call today: 1-866-812-6703

orau.org/nssp

Referrals and “Small Sites”

- In addition to our 8 primary DOE sites, the NSSP also provides screenings to former workers from:
 - ✓ *any site* assigned to another FWP project **who no longer live within 50 miles of the site** (“referrals”)
and
 - ✓ sites for which no other DOE Former Worker Program project has been assigned (“small sites”)

Call today: 1-866-812-6703

NSSP Provider Network

- Nationwide network of clinics used for NSSP screenings
- Provider network courtesy of **Acuity International** (formerly Comprehensive Health Services), an NSSP partner
- Over **2,600** Acuity-CHS clinics used to date
- Exams are also performed at **National Jewish Health** in Denver – another NSSP partner
